Dominion Day will be celebrated this year! in Woodstock by one of the largest and finest horse trots ever held in this town. The entries in the three-minute class alone will be s) large that at least half of the horses must trail. The racing will occupy the whole of the day. There are now some fast ones on the track. The Grand Stand, which is very large, and will be completed in time, will have a hall 80 6. in length with a good planed floor. The will be a Bonnet Hop in the evening at the close of the races, at which good music will be provided. The last Oyster Supper of the season will be served in the Grand Stand Dining Hall, also Ice Cream, Strawberries and Cream, and Temperance Drinks. All are invited to one of the biggest times ever witnessed at the Woodstock Pleasure Grounds, July 1st. 1884. Bob will drive three horses that day

Tuesday, June 24th, being St. John Baptist's Day, divine service was held by Rev. Canon Neales, assisted by the missionary at Wicklow, in St. Luke's church In the evening the two reverend gentlemen drove to Victoria Corner for service. The drive through the country by the side of the St. John is one of delight at this season of the year. Service was held in the Orange Hall, a small congregation being present, as the evening was wet. Canon Neales read prayers, Rev. J. E. Flewelling the lessons and preached from I. Kings 17; 6 7. The service was hearty and singing good. One can hardly imagine a Piano and Organ Instructions. greater contrast between rendering of services in St. Luke's church and the Orange Hall, and yet the Rector enjoys his work in the parish of Mencton, N. P., having had instructions missionary for Wakefield, who could reside at and an experience of six years teaching, is pre-Jacksonville and hold services also at Bellville, pared to give lessons at her residence, first door Victoria Corner, and probably at Hartland. Parish of Woodstock, without going to Wakefield. He is far too valuable a man to the church to have him injure his health by overtaxing himself to do duty in both parishes We To John C. Winslow & Son, are glad to hear that he is soon to have an assistant in the person of Mr. Harley, of King's College, Windsor, who is expected here next week.

It is said that P. E 1. shipped last year about \$300,000 worth of eggs; this may recent losses, insured in your Companies, viz., have been the fact in the calendar year but N B. of Mercantile and British American the value of the export of eggs from that Island in the year ending June '83, as officially reported, was only \$124.182. New Brutswick in the fiscal year '82. 83 exported eggs to the value of \$162,647, the average value price being about 15 ets., that of the P. E. I. eggs being over 27 ets. per dozen. It is fur-ther said that the Island receipts for eggs probably paid its outlay for wheat flour. But the statistician who made the above statement could scarcely have referred to book, sthe value duty paid of the wheat four imported into the Island in the term mentioned was only \$14,583. New Bruns wich only imported flour to the value duty paid of \$59,819.
