SABBATH SCHOOL COLUMN. FOURTH QUARTER. - Lesson 1. Sanday, Oct. 5th. "Solomon succeeding David," -1st Kinge 1: 22-35.

LAST Sunday was "Review," and we earn of a number of instances where a publie review of the school took place, in some one to adopt, and one more than likely to result in much good; we would lik to see this has been the case.

At Jacksonville, on Sabbath, the F. C Baptist, Methodist and Baptist schools unit ed in their review, which was conducted b Bro. G. L. Holyoke and the President of the Convention. The exercises were of a very satisfactory character to the visiting members. the sen lars by the promptness and correct ness which characterized their responses to the questions, covering the twalve lessons for the quarter, giving unmistakable evidence o the close attention they had paid to their

The S. S. at Pembroke, on Sunday after noon, was reviewed by Mr. C. R. Watson, it the presence of a number of visitors, and ac quitted itself well.

THE Sand y Schools at O'Brien and Bedell settlements met in the F. C. B. Church in the latter place last Saturday afternoon to review the lessons of the last quarter. Mr. Gentle and Mr. Flemming. from both schools, so harmoniously mingled and the Battery on their fine military appearthat a stranger would have taken them only ance, and on their having won the commend. for one school. Con iderable attention had evidently been given to the musical department, and with good effect, Miss Sadie Hammond, organist. G. L. Holyoke, conducted the review through the lessons of the first month, Rev. K. McKay took the second month and Rev. Mr. Brydon took the third. The ready answers to questions involving was therefore all the more honor to hold it. spiritual truths showed a thoughtful study ty The conditions of the gift, were that the the scholars and faithful work by the teichers. We hope that the interest manifested by visitors to the review will increase into After review a company of waiters entered

SENTINEL Office, in Brick Building, directly opposite Post Office, up stairs.

OUR MANUFACTURERS.

WOODSTOCK WOOD WORKING COMPANY This establishment, which is located at th corner of Green and Elm streets, has long been looked upon as an important manufacturing centre. It was at first operated by Mesers. R. & S. Smith under their own name, but a few years ago it passed into the 10. hands of its present proprietors who include some of our wealthy citizens.

Company, while Mr. Robert S. Starrett is Manager with Mr. Geo. Clynick as foreman

The factory is 70x40 feet and 21 storeys high, with a shed, which is practically a part of the main building, 70x30 ft.

The lower flat contains all the heavy machinery; the upper is well filled with that used for lighter work, and is used as the the opening of the present year 1200 of these articles have been made. The firm from time to time are adding improvements in the manufacture of this churn.
