He charged the cous, \$3,996.55. Government with introducing Deminion isment, to make room for Liberals, and said Attorney General had used the prestige of his office in favor of the Liberal candidate.

The advertisement for tenders for a bridge was only gotten up for election purposes The Exhibition in St. John was a local, not a Provincial, affair as it should have been instead of being conducted by the Board of Agriculture, the citizens of St. John were al lowed to control it. This House had nothing to do with the policy of the Dominion Gov ernment: our representatives at Ottawa were competent to look after such matters and if inconsistent measures were passed our remedy lies with the courts.

Mr. Blair, in reply, said the present Gov ernment was formed independent of Domin ion politics. In the late election he had only exercised the right of the franchise as an elector and would not surrender his right of citizenship for the office of Attorney General. Anything more he had not done, anything less he would not do, and defied the opposition to point out an instance in which he had endeavored to use his position as a member of the Government to influence the late

election. The advertisement for bridge tenhis followers is speaking he is as likely as bably had more fullness in this respect than ders was bona fide and not issued for election not to bury his head in his arms on his desk, is usual. In the points suggested it met all purposes. If Mr. Wetmore had good grounds or to read a newspaper, or go out and take a our anticipations indulged in last week. But he should formulate his charge against scalers, but the Government were making efforts to prevent the possibility of loss to the Province by reason of inability of such officers. As to the Exhibition, when the accounts were presented the House would see that Mr. Wetmore's statements of facts are not facts and his history not history. Mr. Blair closed by appropriate allusion to the late Hon. Dr. Elder and Mr. Geo. A. Sterling, late

In reference to the manufactures turned has been ably taught by Miss Carvill, of Lake- Clothing! Clothing out from this establishment, we might say ville. they include everything that is made out of wood. The leading manufactures, however, tures that you desire copied or enlarged, go to are doors, sashes, blinds, balusters, newel Campbell's, who is a first-class artist, and will posts, stair rails, sheathing, mouldings of all give you every satisfaction. There is now no necessity for our merchants to import their wash or butter tubs as from this factory they can procure, and at less

price, a better article than that which comes posite to each respectively, from and after treme value placed by this concern on luminto something valuable. The small and short pieces of hard wood are used for making rolling pins and potato mashers, while the tub and churn bottoms.

ceived a greater patronage than their hopes Printed or dyed cottons not elsewhere | lcd them to anticipate; this patronage has been steadily increasing and, doubtless, will

Company; Mr. R. S. Starrett, Treasurer and General Superintendent of the works. The establishment is one worthy of the heartiest wish the Woodstock Woodworking Company displayed by them so justly merits.

In view of the mixed opinions as to the GRAND constitutionality of the Dominion License Labels for fish cans and other uses printed Act it may be boped that the General Government will at once take steps to settle the constitutional question.

The City Council of St. John has not decided what steps to take, but the Mayor, under legal advice, has thus far refused to take his seat as a Commissioner. TICKETS 20 cts ; Children under 12 half price.

The Ontario Government, while refusing ernment in the premises and determining to control it, in anticipation of the possibility of Wholesale license, \$350; City, \$300; Town, \$250; Village, \$150; Township, \$120;

The Halifax City Council proposes not to In Quebec there seems to be a strong disposition c neeived to resist the Act as an en-

croachment upon provincial rights. As appears from the Governor's speech the subject is to occupy the attention of our, n which it is not likely the local corpora-
