As the press has published the resolutions passed and adopted by both the Elder's Conterence and the General Conference, exactly as they were adopted, and only imperfectly published the report of a committee appointed by the Elder's Conference, which report was adopted by the Elder's Conference to whom it belonged and concerned, perhaps you can find space to publish both resolutions and report ; as the latter grew out of the former. The report was the work of an independent committee, not connected with the F. C. B. Conference. The members were: Rev. Dr. Batchelor, Rev. Mr. Kinney, of the F. W. B., of N. S, and Revds. J. I. Porter, S. K. West, T. H. Siddall and Wm. Miller, of the F. B. C., Nova Scotia; and their decision was unanimous.

RESOLUTIONS : Resolved: That the teaching of the doctrine of Sanctification as taught by some of our rethren of late, is not according to the views as held and taught by this denomination.
