done so, elect your delegates Sabbath.

THE next Quarterly Meeting of the Aberdeen Sabbath School Convention will be held at Argyle, on Monday 27th inst., at 2 o'clock p. m. A public Meeting in the evening. All S. S. workers are cordially invited to attend. WM. SIMPSON, Sec. Aberdeen P. S. S. C.

WILL some of the Sabbath School Scholars of Carleton Co. please answer through this column in the SENTINEL a Bible question, viz.: Who was the first man that dug his own grave, and when and where?

And oblige A FRIEND OF SABBATH SCHOOLS. Bloomfield, Oct. 22, 1884.

Communicated. FOR THE CARLETON SENTINEL. LAKE SUPERIOR REGION. DEAR SIRS, -I have spent this summer in the different towns on the south shore of Lake Superior, and am now at Duluth, which is situated at the head of the Lake, near the mouth of the St. Louis River. It has doubled its population in the last two years, having now 18,000 inhabitants and I have no doubt but in a few years it will be of three and one-quarter miles in length. One day this week there were over 40 crafts posed to give such matters a little attention. of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts, \$120 per carry on the war, and that the financial difficulty of turnips 400 bushel at 30 cts and the same at the same large steamers and barges. The Northern The SENTINEL, and we think others of the acre; of wheat 50 bushels at 30 cents., i. e., culty will lead to an earlier settlement of the Pacific road is coming in here, work having country journals, has many times advocated \$15 per acre. These figures, especially the struggle than has been anticipated. across the bay, seven miles away, on the Wisconsin side, the lights of Superior City matters, we would call the attention of the parts of them, may be shown from reliable to pour into Torquin Great uncasiness is data gathered by themselves. could be seen, while away to the left, as far powers of the Municipal Councils as to give as the eye could reach, the silvery waters of them more independent control of matters of Gitchi Gummi (the Indian name for Lake local concern and thus, while giving them Superior,) were dancing and gleami g in the cause I was alone. No part of this contincause I was alone. No part of this contin-ent surpasses the Lake Superior region for actment of the Local Assembly, relieve the he is not selving out to go west, but for the purcome here either by rail or steamer, but the popular the idea of a smaller representation this issue, and then call and see Sleepy. best way, especially of coming from the east, and biennial sessions. is to take one of the fine steamers sailing from Buffalo to Cleveland. One or two days can very pleasantly be spent at the is situated on Marquette Bay a lovely sheet suit, being awarded \$580 with costs.

Prairies of Texas. Harrie never before bad a chance to throw stones and I can assure you he improved it. They are a series of sandstone bluffs, extending along the shores of the lake for about five lowing shows the miles. They are worn into strange shapes thousand dyes in every possible variety of arrangement, far beyond the power of words to describe. They derive their name from mines in the vicinity. Ishpenning, the Indian name for Heaven, is three miles farther on. It is built on the celebrated Superior. Cleveland, Barnum and New York mines. I Cleveland, Barnum and New York mines. 1 | ganized, 3. could hear them blasting at night beneath me when I was lying in bed. Negaunee and Receipts..... \$ 2,128 76 Treas. of Victoria County. Iehpenning each have over 5,000 inhabitants, depending entirely upon the working of those mines. Owing to the low price of iron nearly all of the small mines have closed, and the great ones have reduced their force copper regions. Houghton and Hancock are cituated at the base of high hills on opposite sides of Portage Lake, at a point where it is native copper in which this section of the | Stephen; inhabitants. The principal mines are the Huron, Franklin, National, Pewabic and John; and he still holds the same position.

up to 12,570 pounds each. Calumet, twelve John. miles away, has 6000 inhabitants, all supported by one mine, the Calumet & Hecla; it employs 2000 men and is said to be the greatest copper mine in the world. Some idea of its extent may be had from the fact
