SATURDAY, OCTOBER 24, 1885. Building, King street, up stairs.

THE RESULT of the election for the city and county of St. John on Tuesday is, as regards the majority given Mr. Everitt, probably, a pretty general surprise. From all ents," and to the fact that "government during the campaign the conclusion arrived to boast of. And, as previously intimated, the result was looked for with much interest as one which, at an important juncture, was to determine the feeling of the largest and, commercially, the most influential constituency in this province, with regard to the Dominion Government and its policy. issues have been very squarely put. The whole policy and all the acts of the government have been thoroughly discussed and canvassed both in opposition and support The Liberal press of St. John claimed that the St. John constituency was and always had been Liberal; that the seat being con-

don's majority being 298. Now Mr. Everitt | Conservatives, who, as a party, stand by the takes the seat by a majority of 371 votes. If the former election and the present one are to be regarded as tests of the strength of party or General, in a speech at Victoria, B. C., ex party principle, then the Liberal Conserva- pressed himself as favorable to a continuatives may claim their party and their prin- tion of present relations with Great Britain, ciple have gained a vast accession of support- rather than federation. We have no doubt ere in three years, in the city and county of St. Lord Lansdowne expresses the feeling of a John, and a great triumph will be claimed large majority of the Canadian people, with for the Government throughout Canada. For regard to a measure the first good argument Sir Leonard Tilley the result is a personal in favor of which, from a colonial standpoint victory.

The vote stood, for Everitt 2968; for Mc-Leod 2597. Total vote 5608, including rejected ballots. In 1832 the the total number of voters on

the lists was 5566, and at the election that year 4386 votes were polled; this year the list shows 7177 names, and 5608 votes were polled. In 1882, 1180 did not vote and this election 1569 refrained. In 1882 Mr. Burpee's vote was 2459 and Everitt 1925. In 14 polling places out of the total of 43
