in glowing terms, that we were putting this the result of carelessness and --country to a great expense. I beg to say Some hor, members-O:der, order.

gentlemen on this side of the House, or the mongrel franchise, as some exciting trials of skill on rollers in the Rink, ment could be made as quickly as by cavalry. and the town needed the revenue.

you should name some hon, members.

Mr. Kirk-Who is obstructing now?

the federal authorities. An hon. member-Oh. oh. Another hon. member-He is tight. dry). His speech of last saturday did him say I am very decided on that point, very little credit. He very severely reprimanded hon, gentlemen on this side of the House, and it turned out that the hon, gentleman had misunderstood the clause of the Bill under consideration. In that respect his remarks were similar to those of the bon, member for Algoma, the bon. member for

attended to. But they are a very patriotic set of men. After being here for two months, Woodstock, May 25th, 1885. leading the people to believe they are doing

cola (Mr. Rykert) harped a great deal upon | something serious to contemplate. And this the expense the Opposition were rutting this is done at a time when there is a feeling of country to in discussing this measure. When- partizmehip existing between the Tories and ever the Government want anything done of the Liberals of this country, and between the not paid in advance. a doubtful character, or of a doubtful mean- different members of the Confederacy, at the ing, they generally choose the hon, member time when we have a war on our hands, for Lincoln, and there is no one c n do it when our sons are in the Northwest trying to with a better grace than he can. He stated, | quell a rebellion, which some people think is

that, so far as I am concerned, I believe I am Mr. Irvine-There is one point I wish to paying my own expenses. I believe my time speak of particularly, and I will not waste here, and the time of the hon, gentlemen of any words. If there is anything which I this House, and of the messengers and re- would feel disposed to fight for it would be porters-of all who are paid by salary - to retain every vestige of the power which whether we remain a longer or a shorter time, properly belongs to New Brunswick. With does not make any difference in the expenses some hon, gentlemen it may be Outario, Onof the country. I believe that all the addi | tario; but with me it is New Brunswick, New tional expense involved is merely the printing Brunswick, first, last and forever, and sooner the Garicton Sentinel. of what we say, and I am sure, so far as I am | than have any of her rights taken away from personally concerned, I care very little her I would see a great gulf across our bounwhether it is printed or not; I do not care a daries to keep us from passing to you, or you rap about it. With how much grace does to us. One ress in I am in favor of provincial the charge of obstruction come from supporters franchise is, that I believe that we are the of the Government, when that Government best qualified to do our own business and kept us here during the first month of the regulate our own franchise. Another very

Servion, and only kept Parliament sitting strong reason is, that many years ago we had sixty-five hours. Were they economising to fight for our rights, for responsible govern- programme of amusements, &c., provided for time then? Sirely, if they expected this bill ment, the right to appoint these who would should be pass det this Session, would it not | do our business for us; and now, when we have been brought down earlier? It is s'a'ed come here to this Federal Parliament they here that the First Minister said, a few years | propose to give away our liberty of appointago, that to pass this Franchise Bill was the ing these officers and to take the power of apwork of a S ssion. If he made that statement, pointing firers themselves, without saying that to pass this Bill would be the work of a by your leave, to appoint men without any Session, with what grace does the hon, mem recommendation and without any power to ber for Kert. N. B. (Mr. Landy) at nd up remove them. That is going back to the old and at compt to leature this House up a ob family compact system. Another reason I struction? Af er that right non, gentleman am in favor of provincial franchise is, that

w indraw it, what does be mean by bringing Government, and there never has been a down his measure, after three months of the word of complaint about that eys'em Surely, Session, minus swelve days, have passed, and | in introducing a system entire'y different, it expect as to pass it? After the Government | was necessary for the First Minister, in preand their supporters had frittered away many senting the Bill, to have shown the House days of the S sat n; then they attempt to pass | that the old system bad been faulty, and had this measure, in face of the fact that all the not answered its purpose. But it is singular important business of the Session still remains | that though this is called a uniform franchise unattended to. It is contemptible- I use the we are not going to have a uniform franchise word unhesitating'y, as the only one that de- at all. We have a franchise for fishermen, scribes their conduct. Besides that, if they another for tenants, another for farmers, anhad any respect for themselves, or the hon. other for laboring men, and so on. It is a

blood of whose sons redden the snows of the lean see no impropriety in having a uniform blood of whose sons redden the snows of the lean see no impropriety in having a uniform least.
