Miscellaneous.

Once there was a hired man who was constantly astonishing his employer, a farmer, by doing strange and unexpected things. One day the farmer went into the barn, and found that the man had hanged himself. Looking at the dangling body a few minutes, he exclaimed: "What on earth will that fellow do next?"

Another communication from **Mr. George Sewell**, dated Moncton, N. B., June 22, 1878: J. H. Robinson, Esq. Dear Sir,—I wrote you in May last informing you of the wonderful cure your "Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime," had made in my case, and at the same time promising to write you from time to time to let you know how I was getting along. I am much better in every way; am stronger; can walk a good long distance without getting tired. Sleep well and eat a hearty meal. In fact I am a new man in every respect, and those who saw me three months ago and see me now can hardly believe that I am the same person."

The above are facts, and believing that ingratitude is one of the unpardonable sins, I feel it a duty to tell you of what, under a kind Providence, your preparation has done for me. Wishing you every success, &c., &c.

For sale by Druggists and General Dealers. Price $1.00 per bottle, six bottles for $5.00.

A shrewd old lady cautioned her married daughter against worrying her husband too much, and concluded by saying: "My child, a man is like an egg. Kept in hot water a little while it may boil soft, but keep him there too long and he hardens.

A VICTORY SCORED.—Every time when Hagyard's Yellow Oil is used for Rheumatism, Neuralgia, Aches and Pains, Sore Throat or Deafness, Frost Bites or Burns, a certain victory is the natural result.

Mr. Ruskin once lent a volume of Plato to one of his neighboring farmers, and when the book was returned, asked: "Well, how did you like Plato?" "First rate," said the farmer, "I see he's got some of my ideas."

Constipation.

This evil habit neglected, brings a multitude of miseries, and is the source of much illness. Burdock Blood Bitters cures Constipation by toning and regulating the Bowels to a natural action.

A good story is told of an aged clergyman who met a man loudly declaiming against Foreign Missions. "Why," said the objector, "dos'ent the Church look after the heathens at home?" "We do," said the clergyman quietly, and gave the man a tract.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING. Its value is incalculable. It will relieve the poor little sufferers immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETING is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. THE NEW WAY.

HERE WE ARE AGAIN,

But in a little different Form this time, but the Same ARTICLE after all only a Change of Name.

THE OLD WAY.

Owing to the increasing demand for a WASHING MACHINE that will do the work just as represented, and to place it before the Canadian people so as to be within the reach of the poor and those in moderate circumstances, as well as the rich, we, the Patentees and Owners of the Missouri Steam Washer, have begun manufacturing this SAME PATTERN OF MACHINE in Toronto, Canada, and call it the

Eagle Steam Washer!

The EAGLE is made from Better Material than the Missouri, the Tin being XXX. The TANK is also made One Inch Lower than the Missouri, thereby taking Less Water and less Fire to Boil the water, thus making a saving of both Time and Fuel. Since we got our Patent in the States three years ago there has been over One Hundred Thousand sold there. Last year we got one Patent for Canada and we are now ready to supply any one with our EAGLE STEAM WASHERS who is tired of the old way of Washing Clothes, which, no every intelligent person knows, is not only laborious but the Clothes are worn more by rubbing on the Board than by actual wearing.

We have appointed GEO F MOTT of Woodstock N B. SOLE AGENT FOR NEW BRUNSWICK from whom the Machine can be obtained at the Same Price and Terms as from us

THE ST. CROIX SOAP MANUFACTURING CO.

WHAT THE TRADE SAYS.

WE the undersigned GROCERS of St. Stephen have much pleasure in recommending to all dealers in Laundry Soaps the products of the St. Croix Soap Manufacturing Co. Their "SURPRISE" especially as being superior to any other Soap for general Laundry purposes as well as for the Toilet. Our customers claim that it washes equally as well in cold water as other soaps do in the old way by boiling; saving its cost in fuel alone, also the disagreeable results from boiling, filling the house with Steam, &c., and we believe that it is well deserving the name it bears, "SURPRISE" the great Self Washer. Their other Brands have given entire satisfaction and we believe they are all they claim for them.

J. H. GANONG, Esq.,
St. Croix Soap Works,
St. Stephen.

Dear Sir,—Merit deserves to be commended. I thought I would just drop you a line to say that I consider your "SURPRISE SOAP" to be the best value I have handled yet. My Customers prefer it to the well known "Welcome Soap." Keep up the quality and a fortune awaits you.

Yours Truly,
JOHN T. G. CAKE.

P. S. You can use the above any way you wish.

ASK

YOUR GROCER FOR A CAKE OF

"Sea Foam."

IT is Pure White, highly Perfumed, unsurpassed for the Toilet, and is especially adapted for washing Fine Linens, Laces, and the most delicate Fabrics. It is chemically a Neutral Soap, making it perfect for Toilet purposes. By its use you will completely avoid Chapped Hands and Rough Skin. The purchase of one Cake will make it a Household Word.

P. S.—Persons using our "SURPRISE" will find it free from all substances that have a tendency to injure the clothing that most of the so-called cold water Soaps contain.
