of America, says that while a passenger from New York on board a ship going around Cape Hern, in the carly days of emigration to Calthe rossel had eared himself, during the voyage of an obstinate disease by the use of

Ayer's Sarsaparilla.

AVER'S SARSAPARILLA in many similar cases, and he has never yet heard of its failare to effect a radical cure. Some years ago one of Mr. LELAND's farm 'laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND's direction, was supplied with AVER'S SARSAPA-RILLA, which allayed the pain and irritation, Mr. LELAND has personally used

Ayer's Sarsaparilla

after careful observation, declares that, in his belief, there is no medicine in the world equal to it for the cure of Liver Disorders, Gent, the effects of high living, Salt Rheum, Sores, Eraptions, and all the various forms of blood diseases. We have Mr. LELAND'S permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AYER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York. Mr. LELAND's extensive knowledge of the good done by this unequalled eradicator of blood poisons enables him to give inquirers much valuable information. PREPARED BY

Woodstock, Jan 22, 1885.-41 4

lery on the left side.

Little hope is entertained of the survival of Gen. Stewart and his army, from whom no definite news has been received since the of the wounded policeman. The force of the explosion was such that one man was blown to the earth, who was as many as 300 yards from the point where it occurred. The lobby of the House of Commons was completely demolished.

A clue to the perpetrators of the outrage is thought to have been discovered. Just before the explosion occurred a man and woman, the latter carrying a handbag, engaged a cab outside of Parliament yard and drove rapidly away, giving no directions as to their destination. They had not gone very far when

away, giving no directions as to their destination. They had not gone very far when the explosion happened. The cabman, hearing this, stopped his cab. The man and woman at once leaped out and hastened quickly from the spot. The cabman went in pursuit and the runaways were soon overtaken and arrested by the police.

London, Jan. 25.—Later reports show that the first stories about the damage to the white tower were somewhat exaggerated. The white tower building was not destroyed. It is now said that the structure was not even the emergency arises, to send 25,000 the first of the soldiers to Egypt to assist to support British authority there.

The proprietor of Philoderma claims that no

The city is in a frenzied state of excitement. Physicians are in the habit of prescribing

them being insufficient to hold them.

The Queen sent a telegram to day, inquiring as to the condition of the injured policemen, Cox and Cole, and a reply was sent stating that both are progressing favorably.

The greatest indignation prevails throughout the provinces. The outrages were referred to and denounced in all the churches to-day.

The Press Association has informed the government that it has received a letter inclosing the plan of operations contemplated by the dynamiters and furnishing descriptions of active members of the dynamite faction. Several important buildings which have hitherto escaped were, according to the above mentioned letter, included in the scheme of destruction. Steamers arriving at British
