An old reprobate the surface of the same will be suffered as the surface of the same will be suffered as the surface of the same 1yr-pd-51. off. I couldn't perusade her to go to bed distress.

OUR SOUTHERN BUDGET.

(Special Correspondence)

Southern Pines, N. C. Nov., 23, 1885. "Tobacco is an Indian weed.

And 'twas the devil sowed the seed." That's the way the old time rhyme classifies and gives the origin of tobacco plant. The devil certainly has a great deal to answer for, but I am acquainted with a great many people who wouldn't be so very angry at his satanic majesty even if they knew that he really did the sowing referred to, for they not only have a bankering after the weed itself as a means of solece or comfort, but they manage to get plethorie pocket books out of

its cultivation, manufacture and sale. Memory is weighed down with very vivid recollections of first experience in the tobacco business. Many men who once were boys have similiar recollections. It dosen't take a large quantity of the manufactured weed, Forni & Jurcian Fiems you know, to make a lasting impression, unless you are so fortunate as to be copperlined. My early days were spent on a pretty little farm in Wayne county, Pennsylvania. The Probibitionists have carried over 100 of the 138 counties of Georgia and are still I well remember when the farmers all conmarching on. Last Thursday they won the cluded that they would try their hands at raising tobacco. The experiment was also bitherto a great centre of the liquor interest. tried on our farm. The plants grew, like FROST BITES or Chilblains require similar Mr. Finney's celebrated turnip, which

-" grew behind the barn,

And it grew, and it grew. And it ne'er did any harm. When frost came they were still growingthick, heavy, soggy, gummy leaves, greener than cabbages. The plants were cut, but I lay waiting developments. Every now owing to the idea of some manufacturers of get-nobody knew what to do with the wondering something out of nothing, it possible. Groand then I'd hear Martha give a short cers get 6 boxes for 5 of some kinds, and are of dried, like so many bundles of herbe; but it didn't count for very much, as the tobacco manufacturers wouldn't buy it at any price. I knew one farmer who took his entire crop It is a well known fact, however, that a genuto a manufacturer who made it up in cigare for him. That farmer and his sons lived heard her get up and go stand out on the this class of goods, and demonstrates the value high that winter. They smoked cigars front steps for a good five minutes. of quality in manufacture, which is the only every day, and tradition says that they some guarantee of a pure and legitimate washing times got up in the middle of the night to
