MANHOOD,
How Lost, How Restored.
We have recently published a new
edition of Dr. Chas. C. Smith's "Great
Natural Essay on the Radical and
Permanent Cure (without Medicine) of Nervous
Debility, Mental and Physical Incapacity, Im-
potency to Marry, &c., resulting from
excesses." Price, in a sealed envelope, only 6 cents,
or two postage stamps.
The value of this, in this admirable Essay,
clearly demonstrates, from thirty years' suc-
cessful practice, that alarming consequences may be
radically cured without the dangerous use of
internal medicines or the use of the knife; point-
ing out a mode of cure at once safe, certain, and
effective, by means of which every sufferer, no
matter what his condition may be, may cure him-
self, privately, and radically.
This Lecture should be in the hands of
every youth and every man in the land.
