Extracts from a Letter from C. H. S. Cronkhite, Esq. Canterbury Station, York Co., N. B. October, 10th. 1876.

Dear Sir,—In reply to your letter of enquiry, I would say that your Phosphorized Enulsion of Cod Liver Oil, with Lacto Phosphote of Lime is the best preparation of the kind Ihave I was ordered by my physician to take it, and commenced about the last of August, and since that time I have felt a different man, and also look differently, and all for the better, as the

doctor can testify. I was unable, in the summer to walk any distance without much fatigue. I can now take my gun and travel all day and feel first-rate at night, and eat as much as any lumber man.
Have not bled any since I took your preparation
and can now inflate my lungs without feeling
any soreness, and I think I can inflate them up to full measurement, same as before I was sick; have also gained in flesh, my weight in the summer was 173 lbs., and now it is nearly 190 lbs., which is pretty well up to my former weight. The foregoing is a correct statement which l m prepared to swear to, and I hereby author-
