One Experience of Many.  
Having experienced a great deal of  
"Trouble" from indigestion, so much so  
that I came near losing my  
Life!  
My trouble always came after eating any  
food.  
However light  
And digestible.  
For two or three hours at a time I had to go  
through the most  
Excruciating pains.  
"And the only way I ever got"  
"Belief!"  
Was by throwing up all my stomach con-  
tents! "No one can conceive the pains that I  
had to go through, until"  
"At last!"  
I was taken! "So that for three weeks I  
lay in bed and  
Could do nothing!"  
My sufferings were so that I called two doc-  
ters to give me something that would stop the  
pain.  
Their efforts were no good to me.  
At last I heard a good deal  
"About your Hop Bitters!"  
And determined to try them.  
Got a bottle—in four hours I took the con-  
tent!  
One! ! ! !  
Next day I was out of bed, and have not seen  
"Sick!"  
Hour, from the same cause, since.  
I have recommended it to hundreds of others.  
You have no such  
"Advocate as I am!"

Consumption Cured.  
An old physician, retired from practice, having  
had placed in his hands by an Essex Lady  
the formula of a simple vegetable  
remedy for the speedy and permanent cure of  
Consumption, Bronchitis, Catarrh, Asthma and  
all Throat and Lung Affections; also a positive  
and radical cure for Nervous Debility and all  
Nervous Complaints, after having tested its  
wonderful curative power in thousands of cases,  
he felt it his duty to make it known to his suffer-  
ing fellow-men. Actuated by this motive and a  
desire to relieve human suffering, I will send  
free of charge, to all who desire it, this recipe,  
in German, French or English, with full direc-

Extracts from a Letter from C. H.  
S. CROOKHITTE, Esq.  
Canterbury Station, York Co., N.B.  
October, 10th, 1885.  
Mr. J. H. Robinson,  
Dear Sir,—In reply to your letter of enquiry,  
I would say that your Phosphorized Emulsion  
of Cod Liver Oil, with Lactate Phosphate of  
Lime is the best preparation of the kind I have  
ever seen or taken.  
I was ordered by my physician to take it, and  
commenced about the last of August, and since  
that time I have felt a different man, and also  
look differently, and all for the better, as my  
doctor can testify.

I was unable, in the summer to walk any  
distance without much fatigue. I could not  
go out and travel all day and feel fatigued at  
night, and eat as much as any other man.  
I have not had any since I took your preparation,  
and can now tolerate my lunge without feeling  
any soreness, and I think I can tolerate them up  
to full measurement, same as before I was sick.  
I have also gained in flesh, my weight in the  
summer was 175 lbs., and now it is nearly 190 lbs.  
The foregoing is a correct statement which I  
am prepared to swear to, and I hereby authorize  
you to use it as you see fit.  
I am, dear Sir, yours truly,  
(Signed) C. H. S. CROOKHITTE.

We, the undersigned, hereby consent to the  
use of the above published as evidence to the effect  
of Robinson's Phosphorized Emulsion on the  
person of Mr. Crookhutte, and do assert that the  
foregoing statement is correct in every particu-  
lar.  
(Signed) Alexander Bennett, J. P.,  
William Main,  
Rev. Thomas Hartin.  
Prepared solely by HARRINGTON BROS., Phar-  
macutical Chemists, St. John, N.B., and for sale  
by Druggists and General Dealers. Price  
\$1.00 per bottle; six bottles for \$5.00.

"What is the worst thing about rich  
eggs?" asked the Sunday School superin-  
tendent. And the new boy said: "Not  
having any."

ADVICE TO MOTHERS.  
Are you disturbed at night and broken of your  
rest by a sick child suffering and crying with  
pain of cutting teeth? If so, send at once and  
get a bottle of Mrs. W. A. NORRIS'S SWEET  
PAIN EXPELLER FOR CHILDREN. It is a valuable  
remedy. It will relieve the poor little sufferer im-  
mediately. Depend upon it, mothers, there is  
no mistake about it. It cures dysentery and  
diarrhoea, regulates the stomach and bowels,  
cures wind colic, softens the gums, reduces in-  
flammation, and gives tone and energy to the  
whole system. Mrs. W. A. NORRIS'S SWEET

Miscellaneous.  
"Doesn't that man remind you of the  
sea?" said a pretty girl on Fourth St.,  
to her companion, as a fashionable man  
went by. "I don't know. How do  
you mean?" "Oh, because he is such a  
heavy swell." "Yes, dear," was the  
quick response, "but you know the sea  
swell is salt!"

THE STOMACH is the grand central of the liv-  
ing system, the first organ developed in animal  
life, and the first to suffer from excess. Regu-  
late its diseased action by Burdock Blood-  
Purifiers, which restore health to the stomach,  
bowels, liver, kidneys, and blood.

Mrs. Spook, when her pastor called  
the other day, hastened to find a Bible  
for him to read. She could find only a  
few soiled leaves up in the garret, which  
she handed to the pastor, remarking:  
"Why, really, I didn't know we were so  
near out!"

Bronchitis.  
Bronchitis comes from colds and irritations of  
the Throat; Hoarseness, Cough, Sore  
Throat are its characteristic. These troubles  
may be remedied by a timely use of Hagar's  
Pectoral Balm.

An exchange thinks that when a young  
lady goes to church to exhibit her new  
saskin sash she may be called sashy-  
religious.

"I wouldn't worry about the cholera,  
dear," said a wife to a husband; "it isn't  
at all likely that it will reach this coun-  
try." "I don't know about that," he re-

Extracts from a Letter from C. H.  
S. CROOKHITTE, Esq.  
Canterbury Station, York Co., N.B.  
October, 10th, 1885.  
Mr. J. H. Robinson,  
Dear Sir,—In reply to your letter of enquiry,  
I would say that your Phosphorized Emulsion  
of Cod Liver Oil, with Lactate Phosphate of  
Lime is the best preparation of the kind I have  
ever seen or taken.  
I was ordered by my physician to take it, and  
commenced about the last of August, and since  
that time I have felt a different man, and also  
look differently, and all for the better, as my  
doctor can testify.

system. Nothing on Earth will make  
blood so pure as Johnson's Anodyne Liniment.  
It will also positively prevent and cure  
all diseases of the blood, such as  
Scalds, Burns, Erysipelas, etc. Sold everywhere, or sent by mail for  
\$1.00 per bottle. In my practice I use no other. J. B. JOHNSON, 1409 1/2 Street, Rochester, N.Y.

## FAILING!

That is what a great many people are doing.  
They don't know just what is the matter, but  
they have a combination of pains and aches, and  
each month they grow worse.  
The only sure remedy yet found is Davis' Quinine  
Iron and Wine, and this by rapid and  
thorough assimilation with the blood, purifies  
and enriches it, and rich, strong blood flowing to  
every part of the system repairs the wasted  
tissues, drives out disease and gives health and  
strength.

This is why Davis' Quinine Iron and Wine will  
cure Dyspepsia, Indigestion, Liver Complaint,  
Malaria, Intermittent Fevers, General Debility,  
etc.  
Benton, Sen. Co., 17, 1883.  
Geo. H. Davis:  
Dear Sir,—I was a great sufferer from Dyspepsia,  
and for several weeks could eat nothing, and  
was growing weaker every day. I tried Davis'  
Quinine Iron and Wine, and am happy to say I  
now have a good appetite and am getting  
stronger.  
Yours,  
JOSEPH McCRAWLEY.

Davis' Quinine Iron and Wine is not a drink  
and does not contain whiskey. It is a simple  
preparation of Iron and Quinine that causes no  
injurious effects. Get the genuine. Ask for  
Davis' and take no other. Price 50 cents. Pre-  
pared only by
