On Monday evening, 12th inst., at 7.30. Rev. . C. Berrie will deliver, in Union Hall, Upper Woodstock, the opening lecture of a course to be held there during the winter. As already intimated in these columns, the object of these lectures is to raise funds to assist in building a ake-walk from Upper Woodstock to this town It is an object which claims not only the active ympathy and support of the inhabitants of that growing village, but which has claims upon the people of this town and the community generally. We hope to hear of the complete financial success of the undertaking the intellectual part being assured, as the list of lecturers embraces
