### AYER'S Hair Vigor

By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured. It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, an heals nearly every disease peculiar to th

scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

falling out, and in a short time I became nearly bald. I used part of a bottle of Aven's Hair Vigor, which stopped the falling of the hair, and started a new growth. have now a full head of hair growing vigo ously, and am convinced that but for the use of your preparation I should have been entirely bald." J. W. Bowen, proprietor of the McArthu (Ohio) Enquirer, says: "AYER'S HAIR VIGOR is a most excellent preparation for the ha I speak of it from my own experience, It use promotes the growth of new hair, and makes it glossy and soft. The Vigon is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scotti Vocalists, writes from Boston, Mass., Feb. 1880: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, or tors, actors, and in fact every one who live in the eyes of the public." Mrs. O. A. Prescott, writing from 18 Elm St., Charlestown, Mass., April 11, 1882, says "Two years ago about two-thirds of my half came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR

of the Vigor, but now use it occasionally as We have hundreds of similar testimonia's to the efficacy of Aven's HAIR VIGOR. It needs but a trial to convince the most skepti-

> Missouri Steam Washer. The Best Washing Machine in

IN OPERATION. Thousands of inventors have tried, during the last fifty years, to produce a washing machine which would replace the wash-boiler, and that relic of the dark ages, the wash board. All have failed, however, until the recent invention of the Missouri Steam Washer, which utilizes the YOUR GROCER FORA CAKE OF failed, however, until the recent invention of the Missouri Steam Washer, which utilizes the principle well known to scientists, that steam is the greatest known cleaner, bleacher and disinfectant. This Washer is a small portable machine, and can be used on any cook-stove. It requires no it is made entirely of metal, and provided with a system of perforated tubes, by means of which the clothes are rinsed, they come out whiter and cleaner than any woman can wash them by hand. As steam is far more penetrating than boiling water, this process will remove fruit stains and many other stains that cannot be washed out by hand. It washes equally well a lace coller or a heavy clothes without rubbing or wearing them, it stands to reason that it will save money to any family and the clothes without rubbing or wearing them, it stands to reason that it will save money to any family elected for the country has been flooded with worthless so-called washing machines; but please do not denounce this Washer as a humburg until you have tried it. Remember the sewing machine and the clother without rubbing or wearing them, it stands to reason that it will save money to any family almost of the country has been flooded with worthless so-called washing machines; but please do not denounce this Washer as a humburg until you have tried it. Remember the sewing machine and the clother without rubbing or wearing them, it stands to reason that it will save money to any family almost of the country has been flooded with worthless so-called washing machines; but please do not denounce this Washer as a humburg until you have tried it. Remember the sewing machine and the clother without rubbing or wearing them, it stands to reason that it will save money to any family on have tried it. Remember the sewing machine and the clother without rubbing or wearing them, it stands to reason that it will save money to any family of the province, or received to the country has been flooded with worthless so-called washing machines
