Press London cable says: Any doubt that A timely \* \* \* use of hop Press London cable says; Any doubt that may have existed as to the authenticity of the news appounding the death of General Gordon has been dispelled by the receipt at the war effice of a despatch dated at Korti and signed by Gen. Wolseley. In his despatch the General states that he has received positive information that Ger. Gordon met his death in the mann r described in the despatches previously sent. He adds: "My poisone information is from a r. liable source and loavee no room for hore that the gallant General Gordon has escaped." The despatch was at once forwarded to Mr. Gladstone, who on the receipt, instantly despatched messengers to his colleagues, summoning them to an immediate conference. The outcome of the meeting is a waited with intense interest. The belief is general that the measures already taken for the relief of the British spirited and languid. You are nervous and at forces in Egypt will be supplemented by ad- nights roll and toss on your bed and cannot sleep. ditional instructions to General Wolseley, and all possible haste will be made in the forwarding of reinforcements with a view to hastening an advance on the Mahdi's force. You must take Estey's Iron and Quinine Tonic.

The receipt of General Wolseley's despatch
