Miscellaneous.

The office boy's effusion: "I held her tiny hand in mine and clasped her fairy form, and told my tale of ardent love in language sweet and warm. And when I paused for lack of breath, she raised her dimpled chin and whispered low, 'I don't catch on, please sing your song again.'"

It is no Wonder

that so many people sink into untimely graves when we consider how they neglect their health. They have a disordered liver, deranged bowels, constipation, piles or diseased kidneys, but they let it go and think they "will get over it." It grows worse, other and more serious complications follow and soon it is too late to save them. If such people would take Kidney-Wort it would preserve their lives. It acts upon the most important organs purifying the blood and cleansing the system, removes and prevents these disorders and promotes health.

"Well," remarked a young M. D., "I suppose the next thing will be to hire out a good situation, and then wait for something to do, like Patience on a monument." "Yes," said a bystander, "and it won't be long after you do begin before the monument will be on the patients."

The pleasure of bathing is greatly increased by mixing in the tub half or even a quarter of a bottle of MURRAY & LANMAN'S FLORIDA WATER. Instantly the whole atmosphere of the bath-room is as fragrant as a blooming flower-garden, the mind becomes buoyant, and the body emerges refreshed and strengthened.

"Ah! you flatter me," lisped a dude to a pretty girl with whom he was conversing. "No, I don't" was the reply, "you couldn't be any flatter than you are."

A Plant of Rare Virtues.

Is the common and well-known Burdock. It is one of the best blood purifiers and kidney regulators in the vegetable world, and the compound known as Burdock Blood Bitters possesses wonderful power in diseases of the blood, liver, kidneys and stomach.

A shrewd old lady cautioned her married daughter against worrying her husband too much, and concluded by saying: "My child, a man is like an egg; kept in hot water a little while he may boil soft, but keep him there too long and he hardens."—*Boston Post.*

The Question of the Day

"What is good for a cold?" is a question often asked, but seldom satisfactorily answered. We can answer to the satisfaction of all, if they will follow our advice and try Hagyard's Pectoral Balsam, a safe, pleasant and certain throat and lung healer. Sold by all druggists.

The *Paper World* declares that the ten plagues of a newspaper office are bores, poets, cranks, rats, cockroaches, typographical errors, exchange fiends, book canvassers, delinquent subscribers, and the man who always knows how to run the paper better than the editor does himself.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING. Its value is incalculable. It will relieve the poor little sufferers immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. FAILING!

That is what a great many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse.

The only sure remedy yet found is Davis' Quinine Iron and Wine, and this by rapid and thorough assimilation with the blood, purifies and enriches it and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why Davis' Quinine Iron and Wine will cure Dyspepsia, Indigestion, Liver Complaint, Malaria, Intermittent Fevers, General Debility, etc.

BURTON, SUN. Co., July 17, 1883.

GEO. H. DAVIS:

Dear Sir,—I was a great sufferer from Dyspepsia, and for several weeks could eat nothing, and was growing weaker every day. I tried Davis Quinine, Iron and Wine, and am happy to say I now have a good appetite and am getting stronger.

Yours,
JOSEPH McCAWLEY.

Davis' Quinine Iron and Wine is not a drink and does not contain whiskey. It is a simple preparation of Iron and Quinine that causes no injurious effects. Get the genuine. Ask for Davis' and take no other. Price 50 cents. Prepared only by

MANHOOD
HOW LOST. HOW RESTORED!

We have recently published a new edition of Dr. Culverwell's Celebrated Essay on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to marriage, etc., resulting from excesses.

☞ Price, in a sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or use of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
