ford land, and the puschase of 500 acres

The assessors for Wilmot, I. C. Carvell, H Inspector Oakes inspected both department

of our school, last week. We are always LLEWELYN.

Mr. Pugsley supported his resolution in a lengthy speech, asking 1st, was there need of making special efforts to reduce the public expenditure ; and 2nd, could this important change be eff:cted without detriment to the public welfare. He thought both questions must be answered in the affirmative. He read letters from high officials in Maine, Vermont, New Hampsbire, Illinois, Pennsylvania, California and other states (22 in all) in which the writers expressed the opinion that the change to biennial sessions had been a wise and satisfactory one effecting a great March 13 -Mr. Wilson presented petition saving. Thirty-two out of thirty six states G. W. Bridges, Charles Manuel, Charles The Quarterly Conference of the Adventist of Alex. Gibson and others in favor of the bill and territories had adopted biennial sessions. Mr. Morton replied at length, contending that biennial sessions would encourage corruption and foster fraud, and holding that had withdrawn bis motion for a committee to the pruning knife should first be tried on the public departments. Hon. Mr. Blair claimed that Mr. Pugeley had not shown that the change would be in for the present on the assurance of the attorney the interest of the country. It was, he general that the matter would be fully in- thought, a blow at responsible government. Messrs. Ellis, White and Wetmore opposwould not be paid over if the charges were ed the motion, which was supported by Messre

Baird and Adams. A vote being taken, the The House went into committee on the bill house divided ; yeas 6, nays 21. to vest the appointment of the chief of police The yeas were; Adams, Pugeley, Baird,
