Miscellaneous.

'You want a servant girl?' 'Yes, a colored one.' 'Are you particular about having a colored one?' 'Yes, we've had a death in the family and we're in mourning.'

Testimonial from Capt. Joshua Harper.

SACKVILLE, N. B., Feb. 13, 1877.

J. H. ROBINSON, Esq., St. John, N. B.—

Dear Sir,—Early in October last I took a severe cold which settled on my lungs. After having a bad cough for about six weeks I had a very severe attack of bleeding from the lungs, while on a passage from Queenstown to Dover, I had daily spells of bleeding for some days, until I lost about two gallons of blood, and was so weak as to be scarcely able to stand. I put back to Queenstown, where I received such medical assistance as enabled me to get home.

I saw an advertisement of your Phosphorized Cod Liver Oil Emulsion in a paper. I immediately sent and got half a dozen bottles, after taking which I feel myself a well man again. My weight, which was reduced to 120 pounds, is now up to my usual standard of 52 pounds. Seeing what it has done for me, I can confidently recommend it to others afflicted with lung diseases.

Yours, very truly,
(Signed) JOSHUA HARPER,
Of the barque "Mary Lowerson"

'Bring your umbrella,' called Mrs Brinkley to her husband the other Sunday morning as she waited at the front door for him to go to church. "Who's going to preach?' he called back from up stairs. "Our regular minister.' 'Is that so?' Well, I guess we won't need an umbrella.'

Swelled Neck.

Mrs. Henry Dobbs, Berridale, Parry Sound, testifies to a prompt cure of enlarged glands of the neck and sore throat by the internal and external use of Hagyard's Yellow Oil. Yellow Oil is a sure relief for all painful conditions.

'It's a worritsome world,' said the dear old lady, 'chockful of faults and failings; still all you young ladies on the lookout for nice husbands should take comfort from the fact that there *are* so many him-perfections about.'

Diseases of the Skin.

Most diseases of the skin arise from bad blood and lack of cleanliness, except when caused by grubs or insects. Erysipelas, Salt Rheum, Tetter, Pimples and all Humors of the blood are curable by Burdock Blood Bitters, purifies the blood.

"Why,' exclaimed a tourist, 'a donkey couldn't clime that hill!' And then he added, "And you may rest assured I'm not going to try it.'

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections; also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149 *Power's Block, Rochester, N.Y.*

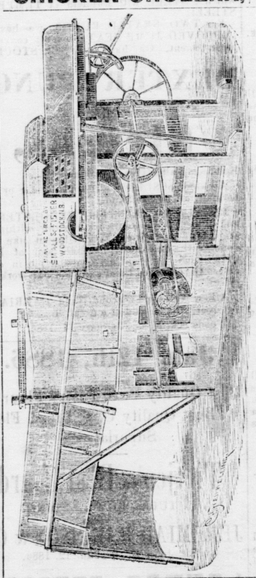
MAKE HENS LAY

CHICKEN CHOLERA,



SMALL & FISHER'S "LITTLE GIANT."

READ WHAT THE PEOPLE THINK OF IT.

FREDERICTON, N. B., August 27, 1885.

SMALL & FISHER:

Gentlemen,—In reply to your enquiry as to the merits of the "Little Giant Thresher," purchased from you, I would say that having used the Machine two seasons, I have had time to thoroughly test it in all kinds of grain. I might here say that when I purchased, I was prejudiced against the Little Giant Machine, having heard that they won't do as good work as your Improved Benjamin Machine, but I find to be a mistake, as it excels in all respects. At the same time cleanses remarkably fast without waiting. It equally as well when threshing at the rate of 600 bushels per day, as when threshing at the rate of 400 bushels per day. You Horse Power I believe is the best in the market, being strong and very easy on the team. When threshing grain for Chas. and Wm. Montgomery, last Fall, we had to lower our power down to three inches before we could control the speed by feeding. Mr. Upham, well known as one of the most successful farmers, has employed all kinds of Machines to do his work, testimonial you are at liberty to use, as I am satisfied that it is not given in the excitement of trying a new Machine, but after two seasons hard threshing.

Respectfully Yours,
JOSEPH BLACKMORE.

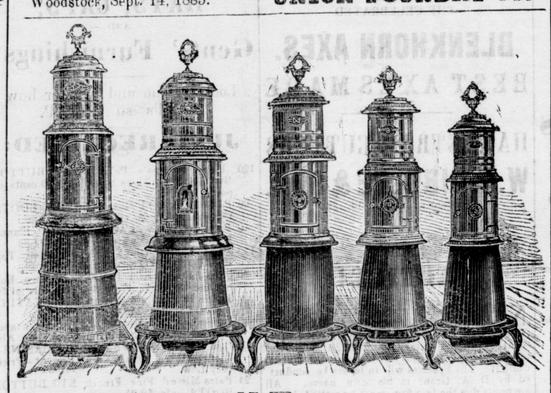
Woodstock, Sept. 14, 1885. **UNION FOUNDRY CO.**



Messrs. Connell Bros.,

GENTLEMEN,—Having thoroughly tested the "IMPROVED LITTLE GIANT THRESHER," and Double Gear and Level Tread Horse Power and Wood Cutter bought from you last Spring, I can readily certify that I am in every respect fully satisfied with them. I was told before buying not to get a "Giant" for they would not clean grain when threshing fast, as the sieves were too small. But when I heard that you were making the sieves four inches longer than the American machine, I thought you must have the machine I wanted. The long sieves add greatly to its capacity, without danger of wasting grain. Your Level-Tread Horse Power is so very easy on horses; my team does not weigh over 2,100 lbs, and they can run it with great ease. It was so late when I bought that I could not get enough grain in a place to make one whole day's threshing. I have threshed at the rate of four hundred bushels per day, for half a day at a time; the machine was not crowded any; the sieves were clearing themselves; threshing clean, and no grain going over. Every place where I used your Wood Cutter it gave good satisfaction; it is so light and handy; can set it up in so small a space. I had no faith in it and bought it on condition, but I would not have any other now. One man said he had so little faith in that Cutter that he would not let me saw his wood, unless I called his pile of wood a day's work, he always had the same amount of drags cut for a day's work before; I cut it in a little more than half a day.

Yours truly,

Lakeville, Aug. 13th, 1885. G. B. Smith.

FAILING!

That is what a great many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse.

The only sure remedy yet found is Davis' Quinine Iron and Wine, and this by rapid and thorough assimilation with the blood, purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why Davis' Quinine Iron and Wine will cure Dyspepsia, Indigestion, Liver Complaint, Malaria, Intermittent Fevers, General Debility, etc.

BURTON, SEN. Co., July 17, 1883.

GEO. H. DAVIS:

Dear Sir,—I was a great sufferer from Dyspepsia, and for several weeks could eat nothing, and was growing weaker every day. I tried Davis Quinine, Iron and Wine, and am happy to say I now have a good appetite and am getting stronger.

Yours,
JOSEPH McCAWLEY.

Davis' Quinine Iron and Wine is not a drink and does not contain whiskey. It is a simple preparation of Iron and Quinine that causes no injurious effects. Get the genuine. Ask for Davis' and take no other. Price 50 cents. Prepared only by
