Sore Eyes

The eyes are always in sympathy with the body, and afford an excellent index of its condition. When the eyes become weak, and the lids inflamed and sore, it is an evidence that the system has, become disordered by Scrofula, for which Ayer's Sarsaparilla is the best known remedy.

Scrofula, which produced a painful in-flammation in my eyes, caused me much suffering for a number of years. By the advice of a physician I commenced taking Ayer's Sarsaparilla. After using this, medicine a short time I was completely Cured

My eyes are now in a splendid condi-tion, and I am as well and strong as ever. -Mrs. William Gage, Concord, N. H. For a number of years I was troubled with a humor in my eyes, and was unable to obtain any relief until I commenced using Ayer's Sarsaparilla. This medicine has effected a complete cure, and E believe it to be the best of blood purifiers. - C. E. Upton, Nashua, N. H. From childhood, and until with a few, months, I have been afflicted with Weak and Sore Eyes. I have used for these complaints, with beneficial results, Ayer's Sarsaparilla, and consider it a great blood purifier. — Mrs. C. Phillips, Glover, Vt.

I suffered for a year with inflamma-tion in my left eye. Three ulcers formed on the ball, depriving me of sight, and causing great pain. After trying many other remedies, to no purpose, I was final-induced to use Ayer's Sarsaparilla.

By Taking three bottles of this medicine I have been entirely cured. My sight has been restored, and there is no sign of inflammation, sore, or ulcer in my eye. — Kendal T. Bowen, Sugar Tree Ridge, Ohio. My daughter, ten years old, was afflicted with Scrofulous Sore Eyes. During the last two years she never saw light of any kind. Physicians of the highest standing exerted their skill, but with no permanent success. On the recommendation of a friend I purchased a bottle of Ayer's Sarsaparilla, which my daughter commenced taking. Before she had used the third bottle her sight was restored. Her cure is complete. — W. E. Sutherland, Evangelist, Shelby City, Ky. * Ayer's Sarsaparilla,

A little more than a year ago we published in these columns a notice of the discovery of Sheridan's Condition Powder to make hens lay. In making that announcement we relied wholly upon the character and reputation of the manufacturers. To our own mind, at the time, the idea of making bens lay the year around by artificial or any other means, seemed absurd, but we have since learned that it can be done. The notice alluded to above attracted universal attention, and thousands of people, while not believing that Sheridan's Powder could accomplish all that was claimed for it, thought it was at least worth a trial. The trial was made during least worth a trial.
