A Big Cut.

In Ottawa the mills have about shut down. The output is estimated at over 800,000,000 feet besides some four or five million feet of equare timber. All the years' cut has been cold and next years' contracted for.

There were very heavy snow falls on Saturday last, North and West of this section of County. There has been good sleighing in adultery in the said conference, court or courts, W.
