The Secretary of the County S. S. Convention and H. B. Taylor, V. P., for Peel, visited the Sunday School in Gordonville, last Sunday morning. This school is under the superintendence of Beckwith Jones. He is a zealous and devoted officer, and has an intelligent and interesting school. A little more pains in preparation of the lesson is desirable, and we think that the use of lesson helps in lesson study would be found of advantage. In the afternoon they visited the school on the Glassville road near Bristol. Soda Water State only three weeks ago, Samuel J. Rogers was chosen Superintendent. They have already secured a small library, and
