NOTICE.

We wish to make it known to the public that we have made a change in our business to this effect: Instead of selling our Boots only at Wholesale, as we have been doing for the past six years, we intend to keep on hand A LARGE LOT OF

Boots AND Shoes

Of all kinds to retail; and make to Measure any kind of Boot or Shoe.

☞ Any one may order on short notice. ☜ All that know about our boots know that we have been selling the best wholesale Boots made by any firm in the Dominion. A great many have taken advantage of us, by buying a cheap hand-made boot and selling them for our make, which has hurt the sale of our Boots. We intend to put a stop to this under-handed and dishonest act we know this thing to have been done here in our village. We could name a number in different places, that have done and are still doing this thing, which they know is dishonest. Men are saying "If we could only get our Boots made out of the same kind of leather that they used sixty years ago we would have a boot that would give satisfaction." That is just what we make our first-class Boots out of, Cold Liquor Stock. We can it ourselves from nine to twelve months, without steam or extract.

OUR BEST BOOTS

ARE LABELLED TO THIS EFFECT.

You will find our Boots for sale at Marston Bros, Kel River, Canterbury; Teed & Gibson's, Benton; R. Hurley's, Manilac; S. P. Waite's, Andover.

We intend to do all kinds of Repairing, Rubbers included. We have on hand a large stock of Coarse Boots; four kinds of Driving Boots; two kinds of Driving Shoes and Plowing Shoes; the best and largest lot of Hand-made Work ever in the village. Come and see our Driving Shoes, our own invention, the best in the market. We also have the right to sell Martin's Counter and Heel Stiffeners, the only perfect Heel Brace.

☞ We take in exchange for our custom work, Hides, Bark, and Wood, and all kinds of Country Produce, and will wait until after driving, on all reliable parties who want Driving Boots.

TRUE VALUE

OF

COOK'S FRIEND BAKING POWDER

As compared with two other brands the *strengths, only,* of which have been published, carefully *omitting cent.*

1 tin "Royal" costs 60 cts., gives 2,033 cub. in. of Gas, or 34 inches for a cent.

1 tin "Princess" costs 50 cts., gives 2,408 cub. ins. of Gas, or 48 inches for a cent.

2 packets **Cooks Friend** cost 50 cts., give 3064 cub. ins. of Gas, or 60 inches for a cent.

Cooks Friend is therefore 25 per cent. *better value* than Princess, and 75 per cent. *better* than Royal.

The *purity* and *healthfulness* of **Cooks Friend** are unquestionable.

Cooks Friend may be had from storekeepers generally.

Miscellaneous.

THE LATEST SHADE OF GRAY, called 'frightened mouse,' will not long be fashionable, for they say that as soon as a lady dons a garment made of it she feels an irrepressible incinration to climb on the piano, grab her skirts tightly around her, and scream murder.

It is reported that Henry Bergh is carrying sympathy for animals so far that he is cultivating bald spots on his head as a pasture for flies.

Another communication from MR. GEORGE SEWELL, dated Moncton, N. B., June, 22, 1878:

J. H. Robinson, Esq. Dear Sir.—I wrote you in May last, informing you of the wonderful cure your "Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime" had made in my case, and, at the same time promising to write you from time to time to let you know how I was getting along. I am much better in every way; am stronger: can walk a good long distance without getting tired. Sleep well and eat a hearty meal. In fact I am a new man in every respect, and those who saw me three months ago and see me now, can hardly believe that I am the same person.

The above are facts, and believing that ingratitude is one of the unpardonable sins, I feel it a duty to tell you of what, under a kind Providence, your preparation has done for me. Wishing you every success, &c, &c.

For sale by Druggists and General Dealers. Price $1.00 per bottle; six for $5 00.

Here, Johnny what do you mean by taking Willie's cake away from him?—Didn't you have a piece for yourself?—

Yes; but you told me I always ought to take my little brother's part.

A recent song has the following refrain: Oh hug me closer, closer still. Of course there are frequent rests to give the fellow a chance to comply.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP" and take no other kind

'Papa,' said the daughter of a large employer of labor, 'are you in favor of the eight hour system?'

'Well, daughter,' he answered, 'under certain circumstances I am.'

'Oh, I'm so glad!' she rapturously exclaimed.

'Why, my dear, why are you so interested?'

'Because, papa, George has been only staying four hours every evening, and he told me last night if you favored the eight hour system he needn't go home nearly so early. You dear old papa, I'm so glad you are in favor of it,' and she threw her soft white arms about his neck, and choked off all explanation.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections; also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149 *Power's Block, Rochester, N.Y.*

—'Aw,' drawled a city swell to a country boy, whom he met in the road one freezing morning, 'the superlative gelidity of the circumambient atmosphere render extraforaneous peregrinations much less delectable than subterguleaneous pursuits, don't you know.' 'Goshamity, said the boy, 'do it though? I thought it was too dang cold for that.'—*Merchant Traveller.*

BURTON, SUN. Co., July 17, 1883.

GEO. H. DAVIS:

Dear Sir,—I was a great sufferer from Dyspepsia, and for several weeks could eat nothing, and was growing weaker every day. I tried Davis Quinine, Iron and Wine, and am happy to say I now have a good appetite and am getting stronger. Yours,

JOSEPH McCAWLEY.

Davis' Quinine Iron and Wine is not a drink and does not contain whiskey. It is a simple preparation of Iron and Quinine that causes no injurious effects. Get the genuine. Ask for Davis' and take no other. Price 50 cents. Prepared only by

ABOUT a year ago the first Eagle Steam Washer came to Woodstock. It has been followed by hundreds of others which have been scattered over the country not one of which has ever failed to give entire satisfaction when used according to directions. In case any person may have tried one without satisfactory results we have no hesitation in saying that they in some point failed to carry out the directions. In any ordinary family it will save much more than its cost each year in the wear of clothing alone, besides the immense saving of labor, and the minor saving of water, soap and fuel.

C. C. RICHARDS & Co:

Having used your Minard's Liniment for several years in my stable, I attest to its being the *best* thing for horse flesh I know of. In the family we have used it successfully for nearly every purpose that a liniment is adapted for, it being recommended to us by the late Dr. J. L. R. Webster. Personally I find it the best allayer of neuralgic pain that I have ever met.

CONSCIENTIOUS DRUGGISTS

We would recommend for

Dyspepsia, Indigestion,

and kindred diseases, THE USE OF

MALTOPEPSYN!

For CONSUMPTION and all Wasting Diseases, the use of

Morse's Carbolated Norwegian COD LIVER OIL!

For Teething Infants and Nervous Troubles, the use of

Glycerole of Celery Compound,

(CONTAINING NO OPIUM)

You probably ask why we recommend these remedies! It is because we know them to be *reliable remedies, endorsed by leading physicians* throughout the Dominion, for the cure of *specific diseases,* and not claiming to cure *everything.* Also because they have the *exact formula* printed on each bottle label, thereby enabling the purchaser to know just what he is taking.

The time is rapidly approaching when intelligent people will refuse to take *quack cure-alls,* the ingredients of which are kept *secret,* but will insist upon knowing just what they are taking.
