We would recommend for

Dyspepsia, Indigestion, and kindred diseases, THE USE OF MALTOPEPSYN! For CONSUMPTION and all Wasting

Diseases, the use of Morso's Carbolated Norwegian COD LIVER OIL! For Teething Infants and Nervous Troubles, the use of

Glycerole of Celery Compound. (CONTAINING NO OPIUM) You probably ask why we recommend these dies! It is because we know them to be rethroughout the Dominion, for the cure of specific liseases, and not claiming to cure everything. Also because they have the exact formula printed on each bettle label, thereby enabling the purchaser to know just what he is taking. The time is rapidly approaching when intelli-

How Lost, How Restored

We have recently published a new edition of Dr. Culverwell's Crie-Debility, Mental and Physical Incapacity, Impediments to Marriage, etc., resulting from Price, in a sealed envelope, only 6 cents. The celebrated author, in this admirable Essay. clearly demonstrates, from thirty years success ful practise, that alarming consequences may be

ing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically. This Lecture should be in the hands of every youth and every man in the land.
