could be found to defend such an article as March 1 1886, viz:the one referred to, but one Anthony, in the Amt due for int 15 Jan. '86 on Ry deb., \$600 00 Sun, hastens to the defence, and a more flippant, disgraceful article on so serious a subject was never in print. Flippancy is not wit or argument and consequently unworthy of notice. A man must be obtuse indeed that could not discover in churchman's article two typographical errors. A perversion of the mouth should read truth, and in the writers eye mind s eye. If Anthony will read the and the accounts were ordered. Why was English classics he will in time comprehend the allusion. We cannot believe that the English article or even "Anthony" were written by New Brunswick sons, and if by a stranger within our gates, present him without any delay with two new ceats, one of tar and one of feathers. The offence is indictable Thousands are spent every year to diseminate emigration documente, one such article it from a respectable source, would render null and void many emigration efforts, for who would emigrate to such a land of destitution? Was it for a memorial church to the dead tion. Rangers? or was it to fill an empty pocket. A CHURCHMAN, GRAND FALLS.

an article.

FOR THE CARLETON SENTINEL. MESSRS. EDITORS,-" Tax-payer No 2, in last week's Press, attempted to reply to York, is also authorized to contract for advermy letter in the SENTINEL of the 6th inst -He says that the " familiarity with Town finances and knowledge of law," shewn by my letter, indicate its author. This is not very complimentary to the o her rate pay ers, as my letter only stated some plain facts readily ascertained from the published accounts. It did not require much " familiar ity with Town finances" or "knowledge of law" to notice from the accounts that the "Institute money" and "Steam Fire Engine money" had been expended at the close of the year, had the balance from the previous year and the "Institute money" not ous year and the "Institute money not been used. "Tax payer No 2" asserts that of experses in governmental and legisla- Atlantis really did exist and disappeared, as larged and improved his greecery store. Mrs. ter, in Lowell, Mass. the Council of 1885 only had a small portion tive administration. The reforms proposed stated by Solon and Plato. of the S. F. E money to expend. In reply are broad and sweeping; with some of them to this I will refer him to Mayor Connell's there is probably a popular agreement, as financial statement in the Press, where it is admitted that \$2 457.18 of that money was the proposel to reduce the number of the exadmitted that \$2 457.18 of that money was in the con- To Correspondents.—We cannot pub- before the Police Magistrate of a violation of the shadows before the bill section by section.

Scott Act, were fined \$50 each and costs.

Hon. Mr. Ritchie thought excuse for spending the "Institute money" tingencies of the departments, the House of lish a communication received, concerning a he says the late Institute Treasurer held the Legislative Council; the case tried at the recent session of the County needed repairs on the piers of the Meduxnakik sell them. Some pass the line without usual bill; he reviewed the act at length. Progress married. He could see no reasons why the money some time. In reply to this, I will adoption of biennial sessions, and a reduction of case tried at the recent session of the County needed bridge of the county adoption of biennial sessions, and a reduction of case tried at the recent session of the County needed bridge of the county adoption of biennial sessions, and a reduction of court here, as the chief allegation is libellified bridge. was added to the fund while in the Treas tion in the number of members of the Legis ous, and no public good would be served by to understand Mayor Connell's financial and tabular and comparative statement, as pub.

The dated of the latter.

A Communication from Mr. F. P. Sharp, bury Station. Apart from some slight flesh bruises neither Mr. D. nor his wife were injured bruise lished in the Press He says, "according sponsible Government, of abolition of all as to print a copy of the bill proposed by the to the Books there was on the 10th March, heads of department; of the abolition of all Town Council to divide the Town and Parish. 1885, a balance in Treasurer's hands of departmental reports except school and the did not come into our hands until the 25th., at then due \$456.57, the Railway interest contain all necessary information from all to publish it this week. Jones \$248 49, in all \$1,305 06 should be tion with the departmental reports an im yea & Co's.

2.457 18" And he adds that "a proper charge upon this balance of \$2,457.18 was the sum of \$3,400, the proceeds of the sale of the S. F. Engine, which had been used And then he adds: "There is now (March , 1886), a balance in the Bank to the credit of the Town of \$3,533.06, and to this may be added the sums to be collected from past year's assessments, and the sum of \$500 un-

collected water rates." Why was it stated that the balance of March 1885 was subject to deductions and the bal-Holyoke, County Secretary, Woodstock, and ance of March 1886 was not, but instead of Council desires, as it proposes, the interest was the same rule not applied to each? would not the ratepayers who were not familiar with the finances conclude that the balance of balance of March 1886 as the Mayor applies to the balance of March 1885, and see how it
