Keeping the Golden Mean. An old gentleman was once telling some friends of his that the best way to fight the drink was by pledging all the children to shun it-to get them to hate it, and the next generation would not then be drunkards. A friend of his laughed at the idea, and said such "tomfoolery" was "not necessary."
"Poh! poh!" he said; "such folly. Human nature ever rushes into extremes. One man drinks to excess, and another man, in order to be safe, drinks nothing and they are both equally weak. Why don't they keep the golden mean?" "Ah!" said the old man, "it's just the golden mean that beats them. They do try to keep it, but they can't and they don't. Jim Alloside tried to keep the golden mean in the turnpike road the other day, but he'd been too long at the him. He had business on both sides of the road at the same time, and the dreadful way in which he struggled to do it was awful to see. I said, ' Keep the golden mean, Jim.' 'The golden mean,' he stammered; 'gold is should rest, and other things being equal Crocker, Druggist, Waterdown, and adds that all gone, and silver and copper, too, and there's only meanness left, as anybody may see.' " And so it is with thousands of drink-

3,000 pounds of poor tea into the harbor the ers. They intended to keep the golden the intention of becoming drunkards, but drunkards too many of them are, all because "For ten years," says Jennie M. Harrett of they aimed at the golden mean. If they had

Just a Thimbleful.

Doctor Gregory was an eminent physician of Scotland, one who set a good example to his patients; for he had long abstained from the use of all fermented liquors. That genttleman was sent for to visit a lady who was often visited by singular paroxysms of the oure from your druggist one 37½ cent bottle of nerves. The doctor inquired if she was 'A place where they change the head Dr. Fowler's Extract of Wild Strawberry and accustomed to take anything at such times. iately took up his hat and stick and said : " Madam, good-morning. Give up your brandy, and you will be well in six weeks; keep to your brandy, and you will be in your grave in six months."
