The Garleton Sentinel.

SATURDAY, SEPTEMBER 11, 1886. SENTINEL Office, in Vanwart's Brick Building, King street, up stairs.

THE election in Haldimand, on Wednesday, resulted in the return of the liberal candidate, Mr. Colter, by a majority of from 90 to 150.

A NEW YORK despatch says: Cyclones, of New England. earthquakes and tornadoes are predicted for September 26, 27 and 28. A cyclonic disturbance may be expected on Sept. 14 and 15.

A BELT about four miles long and two to has been swept over by a fierce hail storm carrying destructing to the growing grain. Between 30 and 40 families are sufferers and will require assistance.

promising and much excellent grain had been been damaged by severe frosts.

been greatly pleased with the appearance of the County and speaks in gratifying and hopeful terms respecting the progress of the new settlements which he visited.

THE Press says the railway meeting at Centreville was noticed in the Press of the preceding Wednesday, and then goes on to express regret that more general information of the meeting had not been given. The inference is plain.

The reference to the SENTINEL, in this connection, of the Press, contains an abslobutely false statement and is an unprovoked and entirely uncalled for piece of impertinence.

large audience.

man, who was aged 25 years, was quite dead would doubtless meet with a ready and when found. England will sympathize with favorable response. Sir Alexander and his family.
