BASE BALL.

The Woodstock base ball club, accompanied by a number of base ballists from Houlton, left by train for Presque Isle, on Friday afternoon of last week, to compete in a match game of ball with the Caribou base ball club of Caribou, Me., on the next morning, beginning at 10 o'clock. They arrived in Presque Isle at 6 o'clock in the afternoon and had a practice game before dark. On Saturday morning, the day being very fine for a match, the game commenced on the grounds in the Trotting Park, and proved conclusively to some 500 spectators from Woodstock, Houlton, Fort Fairfield, Caribou and Presque Isle, that each club had fine players in their team and, of course, they played a game that was a credit to them, as proved by the small score and few errors made considering the unevenness of the grounds forming the diamond. The game was a very slow one as it occupied four hours and twenty minutes. Our boys proved too much for their opponents and won, the score standing 9 to 7. Harry Briggs, of Houlton, umpired the game; Frank Emery, of Woodstock, scored for our boys. We need not individualize the playing of any in the nines here, for below will be found a synopsis of the game together with a tabular statement of the result.

SYNOPSIS OF GAME.

First Innings.—Woodstock—Call struck out. Schneider knocked a liner to 2d base, but was put out on 1st by Holmes from Patterson. Casey made a base hit to right field and got 1st, stole 2d, but was left there as Emery's liner was stopped by Patterson and fielded to Holmes in time to get Allan out. Caribou—Pushor flew to Craig. Fisher perished on 1st, from Jones to Malaney. Graves made a base hit to short stop and reached 1st, stole 2d, but was put out on 3d from Call to Craig. Each club presented the other with a goose fruit this innings.

Second Innings.—Woodstock—Hartley struck out. Craig out on fly to left field which was held by Harmon. Malaney made a base hit to short stop, and succeeded in making the first score in the game. Bourne made a base hit to left field and also scored. Jones made a base hit to left field and reached 1st, but was left on 2d by Call flying to Harmon. Caribou—Collins reached 1st by an overthrow of Craig's, and made a score. Harmon made a base hit to right field but was put out on 2d by Schneider from Emery who held Holmes' fly, which was a double play for Emery. Howe reached 1st but was put out on 2d by Schneider from Hartley. Score 2 to 1 in favor of Woodstock.

Third Innings.—Woodstock—Schneider out 1st by McNelly to Holmes. Casey struck out. Emery out on 1st by Pushor to Holmes. Caribou—McNelly reached 1st by Hartley's error, and scored. Pushor made a base hit to left field and he scored. Fisher made a base hit, reached 2d, but perished on 3d by Craig from Call. Graves hit the ball to centre field and scored. Collins got to 1st base all right, but was put out by Craig on 3d, assisted by Call. Harmon and Holmes also reached bases but was left stranded on them as Howe struck out. Score 4 to 2 in favor of Caribou.

Fourth Innings.—Woodstock—Hartley and Craig both made base hits to left field, and scored. Malaney struck out. Bourne reached 1st by Patterson's error and scored. Jones drove the ball to left field and scored. Call out on 1st by Holmes to Pushor. Schneider out on

fly to Holmes. Caribou—Patterson flew to Bourne. McNelly reached 1st but was left on 3d. Pushor reached 1st but was out on 2d by Schneider from Call. Fisher reached 1st but was left there as Graves' fly was held by Hartley. Score 6 to 4 in favor of Woodstock.

Fifth Innings.—Woodstock—Casey flew out to Howe. Emery got 1st base but was left on 2d. Hartley struck out. Craig out on 1st from Pushor to Holmes. Caribou—Collins made 1st by Jones' error and scored. Harmon made 1st by Malaney's only error but was left on 3d, as Holmes and Howe both struck out, and Patterson fouled out to Call. Score 6 to 5 in favor of Woodstock.

Sixth Innings.—Woodstock—Malaney struck out. Bourne reached 1st, but was put out on 2d by Graves to Patterson. Jones out on 1st by Graves to Holmes. Caribou—McNelly made a base hit to left field, but was run out between 1st and 2d by Malaney assisted by Schneider and Jones. Pushor out on 1st from Emery to Malaney, which was the second double play that Emery made, as Fisher had flew to him. Score 6 to 5 in favor of Woodstock.

Seventh Innings.—Woodstock—Call made a base hit and scored. Schneider got 1st base on called balls and scored. Casey struck out. Emery flew to Fisher. Hartley reached 1st but was forced out on 2d by Craig's hit to left field. Caribou—Graves got 1st but was put out on 2nd by Schneider from Call. Collins out on 1st by Casey to Malaney. Harmon made 1st, but was left there as Holmes flew to Emery. Score 8 to 5 in favor of Woodstock.

Eighth Innings.—Woodstock—Malaney out on 1st by Pushor to Holmes. Bourne struck out. Jones out on 1st by Graves to Holmes. Caribou—Howe out on 1st by Malaney from Jones. Patterson flew to Schneider, and McNelly was put out on 2d by Schneider from Jones. Score 8 to 5 in favor of Woodstock.

Ninth Innings.—Woodstock—Call flew to Fisher. Schneider's fly was muffed by McNelly, and he scored. Casey flew to Harmon, and McNelly caught a fly from Emery. Caribou—This was the Yankee team's last chance for the game, and they "played for all they were worth." They had to get 4 scores to tie our boys or 5 to beat them. Pushor made a 2-base hit to left field. Fisher flew to Bourne. Graves made 1st on Craig's overthrow. Collins flew to Schneider. Harmon made a base hit to right field and got as far as 3d base, and in the meantime Pushor and Graves scored. Holmes made a base hit to right field and worked around to 2d. Howe drove a hot one to Malaney which was "scooped up" nicely and Howe was out on 1st, leaving Harmon and Holmes on bases, which terminated the game. Score 9 to 7 in favor of Woodstock.

All (so called) Steam Washers, which keep a stream of dirty water running through the clothes will, after a short time stain and turn them yellow. In the "Eagle" the clothes do not come in contact with the dirty water, but the dirt is loosened entirely by the action of the steam.

CANADIAN ARTILLERY have been winning sentimental as well as golden laurels in the competition at Shoburness. They won the Montreal challenge cup:—

This cup was given by the city of Montreal for competition between a selected British detachment and a Canadian detachment, with a 40 pounder breech loading rifled gun, each detachment to fire ten rounds, the cup to be held for one year and to become the property of any battery or detachment winning it twice in three consecutive competitions. The Canadian score was 66, Middlesex being second with 36. This cup was won by the English team at Quebec in 1884, but it now returns to Canada.

When it is known that there was 160 teams out of which to choose the British party and that Canada had only 20 men to select from (that number being her full quota present at Shoburness) it will be seen that the victory was a glorious one and that the Canadian contingent has literally crowned itself with laurel. The friends of the contingent and Canadians generally will now look forward with renewed interest and much hope for good news in connection with the shifting ordnance competition, for which particular line, rather than as marksmen, the contingent was especially made up. Later accounts show that the Canadian team has been scoring other successes.

IRISH VICEROYS.

Lord Aberdeen when leaving Dublin and his vice-royalty received an ovation mantled by the fullest enthusiasm our paper says:—Lord Aberdeen came to Ireland as a herald of peace. The Irish democracy finding the message withdrawn, resolved that he should convey the assurance that they are ready to clasp hands in friendship with British democracy, while they are resolved to maintain Ireland's rights at all odds.

And another that the ovation has not been equalled since the days of O'Connell. For the first time in the history of Ireland, he says, a viceroy has demolished barriers separating Imperial dignity from the sentiment of the masses, thereby merging the rule of the Queen in that of the sovereign people.

Speaking of his successor an exchange says:—If Lord Salisbury had deliberately intended to make an appointment of lord lieutenant of Ireland which would create dissatisfaction and distrust among the Irish people, he could not have done better than in selecting Lord Londonderry for that important place. In conjunction with the appointment of Sir Michael Hicks-Beach as chief secretary for Ireland, it gives fresh cause to the advocates of home rule to be more vigilant than ever. Neither of these men has any sympathy for the Irish people in their struggle for self-government, nor even looks upon the Irish problem with the calm and sagacious eye of the statesmen. Londonderry is one of the Tories identified with the Churchill set—a poor recommendation to his talents for consistency, stability or prudence. At the same time he is a descendant of the man whose name has been a by-word of execration to two generations of Irish patriots and whose infamy is not yet forgotten by students of Irish history—Lord Castlereagh. He has slept in the grave of a suicide for three score years but Irish hatred has not yet unlinked itself from his detested name. What sagacity is there displayed in appointing to the principal office in Ireland the descendant of such a man? It is possible that Salisbury, goaded on by Churchill and tory bullies, is preparing to give consent to a policy of coercion? If not, then what is the significance of the appointments to the Irish offices of men who either have expressed themselves in favor of such a policy or who are identified with that portion of the tory party which favors repression rather than concession?

Literary Notices.

"GRIFF'S" GREAT SUPPLEMENT.—With its Midsummer Number, our facetious contemporary, *Grip*, has issued a magnificent supplement in the form of a lithograph plate, 18x24 inches, a group of Conservative Leaders in Canada. The picture is as fine as a photograph, and is well worth framing. The likenesses and autographs are accurate, and the whole picture is at once striking and pleasing. It is one of the best things of this kind ever attempted in Canada; and not only all Conservatives, but those on the other side, will like to secure it. The price, together with *Midsummer Grip*, is only 25 cents, and it will be forwarded to anyone enclosing that amount to the Company at Toronto. In this connection we may state that the success of the enlargement and improvement of *Grip*, (now 16 pages) has led the Company to reduce the price of Canada's Comic Weekly to \$2. New subscribers sending \$1 (together with 5 cents for tube and postage of plate), will get the paper for the last six months of this year, to December 31, and have the Midsummer Number and its fine Supplement Plate thrown in.

In the *Phrenological Journal and Science of Health*, for August, "The Lady of the White House," with portrait, is the leading subject, "Roger Williams" is entertainingly written. "Life is a quaint poem illustrated." "Ludwig, of Bavaria," with portrait is an unbiased paper on that eccentric king; the new instalment of "The Christian Church, its History and Divisions," treats of the Unitarian branch in the author's remarkable fair style; "A Strange Adventure," "Hypnotism as a Curative Agent."

Temperance Work in Victoria Co.
To the Editors of the Carleton Sentinel:

On July 28th, I arrived in Andover for a few days' temperance work in Victoria Co. I remained there nine days during which time I addressed nine public meetings, organized three lodges, reconstituted one, and arranged for organizing four more in a short time. I feel assured that the public meetings held, have been the means of awakening anew the temperance sentiment of the County, and that as a result, vigorous temperance work will follow.

Good Templarism, embracing as it does the best men of the County, is destined to become a power there that will destroy the rum traffic root and branch. Already the rum-sellers are beginning to realize that the Templars of Victoria mean business. I expect to return to that County again in September when a County Lodge will be formed, and other lodges instituted. In the prosecution of my work in that County, I was assisted by Bros. James McGill, T. R. Cameron, A. B. Calder, C. Golding, G. T. Baird, M. P. P., Joseph Stratton, and others of Andover, Rev. Wm. McLeod of Tobique, and James E. Porter of Bairdville, to all of whom I am much indebted for many favors afforded me in my mission. My memory of the many friends I met in Victoria will always be pleasant, and I pray that God's richest blessings may rest upon them all.

The officers of the new lodges are as follows—Arthurette Lodge, at Arthurette:—C. T., J. W. Witherly; V. T., Annie Witherly; Sect., J. B. Stevenson; A. S., Amy Witherly; F. S., J. F. Tweeddale; Treas., J. Giberson; Chap., G. A. Camber; Marshal, Lincoln Giberson; D. M., Nellie Camber; I. S., Alex. McInnes; O. S., Alden Witherly; R. H. S., Katie Howard; L. H. S., Lizzie Grant; P. Chief, Bertha Grant; Deputy, E. P. Grant. Charter members 61.

"Fair Maid of Perth," Lower Perth:—C. T., John Grant; V. T., Esther Lovely; Sect., Mary Griffiths; A. S., Mrs. Daniel Inman; Chap., Mrs. Benjamin Bishop; F. S., William Shaw; Treas., Enoch Lovely; Marshal, Spurgeon Hallett; D. M., Eva Inman; I. S., Benjamin Bishop; O. S., Charles Grant; R. H. S., Patience Morehouse; L. H. S., Lizzie Cox; P. C. T., R. Inman; Deputy, Daniel Inman. Charter members 35.

Bairdville Lodge:—C. T., James Howlett; V. T., Phoebe Lovely; Sect., Daniel Baird; A. S., Emma Porter; F. S., Alberta S. Porter; Treas., Mrs. Robert Porter; Marshal, William Baird; D. M., Jessie Howlett; Chap., Mrs. W. B. Howlett; I. S., Arthur Armstrong; O. S., William Dean; R. H. S., Mrs. Benjamin Baird; L. H. S., Maggie Porter; P. C. T., Benjamin Baird; Deputy, James E. Porter. Charter members 21.

Thanking you, Messrs. Editors, for so much space,

I am yours fraternally,
JAMES P. NOWLAN,
General Deputy.
