Poetry. A Lesson From the Sea

From the shore I gazed o'er a stormy sea, As a strong wind swept its waves, And impelled them on with a mighty force To mysterious rocks and caves. Oh so grimly brown, yet so white, that sea Meal, Pork, Pails; So exceedingly fierce and high appeared enraged with its very self As its spray tore madly by.

Many wild waves broke with a sullen roar 'Mid a sheet of seething foam, Which was straight recalled by a backwa To its ever changing home. Country Produce BOUGHT How I loved to follow a created head

In its path across the waste ; and to watch its course as it shoreward sped In its grandly solemn haste ! Then to see it break, with a leaping crash, But a few yards off from me; How I pitied those who were even then

But one crest I saw high above the rest,

And I traced its course with dread;

TO EVERYBODY! On and on it came, then, -no angry burst, -But it kissed the shore instead ! RARE CHANCE to those of either sex A wishing easy, steady and profitable em- Yes, its wrath was spent, and it gently played ployment. An honorable business chance for men, With the pebbles near my feet; women, boys and girls, wanting a money-making And it seemed to say unto me that day, occupation. Agents wanted in every town, village and hamlet in Canada. Address, (enclosing In a voice both clear and sweet : a three cent stamp for reply.)

W. H. ROBERTSON. "Oh, distrustful heart ! why so often look At a trial you dread may come? For that very wave may at last but end Canadian Agriculturist

Far away on that dark sea

In a sheet of silvery foam." For the storms of life are in loving hands, And though wind and wave may roar, Often breakers change into ripples soft When they really touch the shore. And if not, trust on ; theu wilt surely find That the Father's arms are cast light round his child, who needs only rest, On the strength that holds him fast. -Charlotte Murray.
