Miscellaneous.

A FRESH SOLUTION.—Little Mollie was caught by her mother stealing apples from the tree and was severely rebuked. Her mother told her she must not touch those apples, as she was going to make preserves of them.

On the following Sunday little Mollie's school teacher, while walking home with her from Sunday school, asked her why God forbade Adam and Eve to eat of the tree in the midst of the garden.

"Because he wanted to make preserves of the apples," was the childish reply.

ADVICE TO MOTHERS

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle Be sure and ask for "MRS WINSLOW'S SOOTHING SYRUP" and take no other kind.

Charley (to his sister's beau)—"Say Mr. Griggsby, pa bought a big dog this afternoon, and he's chained up behind the house, and he's going to be let loose at 10 o'clock." Griggsby—"Indeed, Charley." Charley—"Yes; and he bought a shotgun and had copper toes put on his boots to-day, and he says if you don't leave by 10 he's going to take the law into his own hands. Now I want to talk business. What'll it be worth to you to have me poison the dog, take the shot out of the gun, hide the boots and set the clock back an hour."

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections; also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this receipt in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper. W A. NOYES, 149 *Power's Block, Rochester, N. Y.*

"Gentlemen," said the Judge of an Arkansas court to the attorneys during a trial, "I don't mind you shooting at each other occasionally if the circumstances seem to justify, but I see one of your bullets has hit an overcoat belonging to the court and broken a flask in the inside pocket. I wish it to be distinctly understood that if there is any more such careless shooting in this court I'll lift the scalp of the galoot that does it. Now go ahead with the case."

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none or solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effects a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

He had been looking upon the whiskey when it was a rich russet color, and he dropped into a dentist's chair with a sigh that blew out the window shades, and sank into a trance-like slumber. When he awoke a few moments later and saw seven of his best teeth exhibited on the stand, he exclaimed: "Now if you got through foolin' gimme shampoo n hair cut.—*Tid-Bits.*

There's a blessing in the bottle on whose label we can read
Dr. Pierce's Favorite Prescription, for the woman who has need
Oft a remedy for troubles none but woman ever know.
Tis her best and truest friend, and happy thousands call it so,
As they think of years of suffering that were theirs before it came,
Bringing them the balm of healing, and they bless the very name
Of this wonderfully, and deservedly, popular remedy for the various ills woman is heir to. "Favorite Prescription" is the only medicine for women, sold by druggists, *under a positive guarantee*, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle wrapper, and faithfully carried out for many years.

ANATOMICAL SYMPATHY.—Jessie's teacher gave her pupils a party, to which her "little brother" was invited. He ate heartily of ice-cream and cake, and was found reposing on the bench in the porch while the other children were at play in the yard. When asked why he didn't join them, he exclaimed:

"Oh, I can't play, my pants choke me so."—*Youth's Companion.*

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

The Great Dismal Swamp,

of Virginia, is one enormous quagmire of decayed vegetation, a region of gloom and desolation; but not more so than the human system when blocked up by decayed animal matter, which poisons the blood and brings gloom to an otherwise happy household. Dr Pierce's Pleasant Purgative Pellets remove all waste matter, and give Nature a chance to build up.

Sunday school teacher:—"The object of this lesson is to inculcate obedience. Do you know what 'obey' means?' Apt pupil:—"Yes, ma'am; I obey my father." Teacher:—"Yes, that's right.—Now tell me why you obey your father?' Apt pupil:—"'Cause he's bigger 'n me!'

Handy to have in the house, MINARD'S HONEY BALSAM, the prompt and certain remedy for croup, colds and pulmonary affections.

There is no remedy put into bottles that possesses as much merit as MINARD'S LINIMENT. It is both for internal and external use. It heals, cures and extracts pain, removes dandruff, restores hair and is a splendid hair dressing.

"For gracious sake, don't look as if you were going to be hung," said the dashing bride in an audible tone of voice to the embarrassed bridegroom as they marched down the aisle of the church after the ceremony one day last week.—And everybody smiled.

A Quarter of a Century.

For more than twenty-five years has Hagyard's Yellow Oil been sold by druggists, and it has never yet failed to give satisfaction as a household remedy for pain, lameness and soreness of the flesh, for external and internal use in all painful complaints.

"How many lodges did you say your husband belonged to?" she suddenly asked. "Fifteen." "Merey on me, but think of a man being out fifteen nights in a week! I'm really glad I'm a widow."

The most complete stock of Underwear, now showing at Hugh Hay's

If the gentlemen who tarred and feathered us last Saturday night will kindly return our clothes they will confer a lasting favor. We are still wearing the feathers, and while, owing to the thoroughness of our fellow-citizens' work, they are quite comfortable for house wear, still the gentlemen who have come out with a Fall feather suit are so few that our appearance on the street in the costume would be sure to cause remarks. —*Grub Stake (Texas)*

On The Platform.

Public speakers and singers are often troubled with sore throat and hoarseness and are liable to severe bronchial attacks which might be prevented and cured by the use of Hagyard's Pectoral Balsam—the best throat and lung remedy in use.

APPLIED CHRISTIANITY.—Wife (returned from church)—You should have heard Mr. Goodman's sermon this morning, my dear. I don't know when anything has made such a profound impression upon me.

Husband—Did you walk home?

Wife—No, I took a street car; and do you know, John, the conductor never asked me for my fare. Wasn't I lucky?

A Frequent Annoyance.

Who is there that is not frequently annoyed by distressing headaches? Sufferers from sick or nervous headache will find a perfect cure in Burdock Blood Bitters. Sold by all dealers in medicine.

"You want to buy a stove? Certainly, ma'am. What kind of a stove?"

"Well, we're just married and think of going to housekeeping, and, as I don't know how to cook, I think I will take a cooking-stove."

There is no case of disease among Horses and Cattle where "Maud S." Powders are not called for, and by their timely administration will save the lives of many valuable animals.

Sam Jones, we presume, was not far out of the way when he said, "Though there are two sides to every question, the devil is generally on both sides of a horse swap.—*Western Recorder.*

For Bilious Disorders and Acid Stomach, Campbell's Cathartic Compound is very effective.

The coldest winds are those that herald spring, the darkest hour is that before the dawn, the greatest crooks are those that never swing, the finest watch is that we have in pawn.—*Lincoln Journal.*

Gents' Boys' and Youths' Overcoats and Reefers in the latest styles and patterns. Prices at Rock Bottom at R. B Belyea & Co's.

"Robert, dear, how do you suppose these dozens and dozens of empty bottles ever got into our cellar?" "Why, I don't know, my dear, I never bought an empty bottle in my life!"

Perry Davis' Pain-Killer as a Diarrhœa and Dysentery remedy seldom ever fails.

"Martha," said her father, "William asked me for your hand last night and I consented." "Well, pa, that's the first bill of mine you haven't objected to."
