Woodstock, May 5, 1886.

Bomb-Throwing at Reputation.

Nothing is easier than to set in motion a false report concerning the character of a man or woman especially if the victim chances to be a "shining murk." needs but an artfully spoken word, dropped into a too-willing ear, and the cruel tale will spread like the germs of a foul disease, until the whole community is infected by it. We hardly realize, unless matter, how common this form of evil doing is, how constantly the sly insinuation or more open assertion, derogatory to one's good name, is encountered in the ordinary intercourse of daily life. Not always malicious, to be sure, often quite unintentional, but all the same heedless of the wrong committed, these "backbitings"-how suggestive the term !-belong one and all to the same detestable category. A bomb in the hands of an again, accompanied by the statement that anarchist is a terrible weapon, but the tongue of a scandal monger is an instrument of more tremendous power. An London's hospitals. Matters do not seem to inspired apostle declares it is "set on fire

It is a small matter to awaken suspic- Borrioboola Bha. ion with regard to the character or so regard it. It may be a little thing Stinson, of Gorrie, Ont. that is said. A bomb is a little thingings our whole estimate of his character a period of 30 years. and our bearing toward him are affected by it. Surely this is anything but a slight matter when looked at from the Christian point of view. And when we come to those baser forms of detraction express. The crime of the anarchist is venial compared with an offence so base. The Christian attitude with respect to this matter is surely plain enough Don't listen to scandal, don't countenance

Above all, do not become a co-partner with the heedless or malicious bombthrower by aiding to spread abroad insinuations affecting the character of any one. - The Examiner.

"Sowing Wild Oats." What Dr. Crosby says in The Church Union is worth printing in letters of gold -"A phrase has been long in common that of 'sowing wild oats.' It implies that youth must have a time of wickedness, the defying of authority and the abuse of opportunity, after which all will diabolic lie. That which you sow you a penetrability and permanency in the years old. virus of indulgence that defies every remedy for removal while we are in the 30 pills 25c. All druggists. flesh. A Murderer's Farewell.

CARLETON COUNTY COUNCIL.

(Concluded.) January 19, 1887. Warden presiding; Councillors all present. Minutes of yesterday read and ap-

Lists of Parish Officers were confirmed on motion of the Councillors for the Parishes respectively as follows :- Kent, Northampton Wicklow, Peel, Aberdeen, Richmond, Simonds, Brighton, Woodstock (Parish.)

Assessments for poor purposes were ordered as follows :-On motion of Mr. Bull, seconded by Mr. Cronkhite, Northampton \$50.

On motion of Mr. Watson, seconded by Mr. Hemphill, Richmond \$500. On motion Mr. Tedlie, seconded by Mr. Shaw, Brighton \$500.

On motion Mr. Bull, seconded by Mr. Slipp, ordered that \$3.20 be refunded to John Colter, over assessment in '86 and charged to Northampton.

Mr. Tedlie presented petition of A. H. Cole's Hall. Ladies generally are cordially Hayward, G. W. Melville, W. L. Drier and 50 others, rate-payers of Brighton, Wakefield and Simonds, respecting ferry at the Hartland Ferry, so called, which was received

On motion of Mr. Emery, seconded by Mr. Gallagher-Resolved, that Sedgefield Shaw be granted a license of the ferry between McIssacs in Brighton and Joseph McGee's in Wakefield, for the unexpired term of Henry Foster's license, when Mr. Shaw files evidence of assignment of license

the corners between the muscles as fat, and a wire ferry and substantial boats are main-Mr. Harding moved, seconded by Mr Emery-Whereas, the bye-road money granted by the Legislature to the County Council of Carleton is, with one exception equally divided among the different parishes and, whereas the length of bye-roads in some parishes is two or three times greater than ing Germans in our late war, did not do so roads being unequal in the different Parishes the claims and requirements of the Parishes differ; therefore-Resolved, that the bye-It is a part of the duty of the liver to road money for the County of Carleton be cleanse the blood. Beer makes so much bad divided among the different Parishes accord-

Mr. Harding said he moved this resolution not alone in the interests of Wakefield, but in order to do justice to other parishes as to apportion this year's money on that basis. He contended that it was evidently unfair that Parishes with a small mileage of byeroads should get as much of the money as those having a much larger extent, and it was to establish a fairer system that he made this motion. Mr. Harding named several Parishes and their mileage of bye roads to

The Warden said Northampton had nearly Mr. Bull pointed out that Northampton. settlers were few and far apart, could not get along with less money than she had been

evening because members of the board did

and Eve might have had other children not ing given the matter consideration, support Mr. Smith said that last night when Mr. Murphy expressed the desire that the matter should lay over, the motion was withdrawn and therefore his motion now was in order. Mr. Murphy said the motion had been equarely voted down and not withdrawn and his point of order was good. In his remarks yesterday he had been actuated simply by a

y as Woodstock does not, of course, require To cure any case. With each order received by us for six bottles, accompained with \$5.00, we ing—it would be a disgrace to us to be of the doctrine that manliness forbids ly—like the doctrine the doctrine the like the doctrine the like the li he considered the strict letter of the law. The Warden decided the motion in order. Mr. Harding declared that it was not common justice to give all the parishes but Simonds a like amount. There could be no fairness in giving Peel, with 30 miles of bye-

roads, the same as Aberdeen

such different opinions, he would move an amendment to the amendment which expressed the views on the subject he had long held. Mr. Gallagher moved, seconded by Mr. McIntosh, in amendment to amendment. Resolved that the bye-road money be dis-

Mr. Gallagher said that as there were

tributed among the parishes according to their length of bye roads. Mr. West held the same opinion he had for a number of years and agreed with Mr. Harding that the parishes having the larger number of miles of bye-roads required and should have the most money. He felt this from the position of his own parish which ing purposes. Work, in the province next year on the proposed farm, will include experiments with permanent grasses suited for stock-raising as well as in dairying, cereals and roots. Prof. Saunders believes that more roads should have a larger portion of the County had more great roads than Wilmot. varied and extensive experiments will be money than the older parishes well served by carried on in the North West than in any labor. Mr. Harding's proposal was a good Mr. Emery-This was a very old question

means of remedying the defects of the present system had been proposed, including that of Dr. Atkinson. But the question seemed no ing New Brunswick. This will make the nearer a settlement. No doubt there was something unfair in the present mode of distributing the bye-road money. Take Peel, a small Parish lying along the river, and a they should be careful in making a change not to jump in the dark. Dr. Atkinson proposed to base his distribution of the bye-road money on Roe & Colby's map, which may have been good authority at one time, but did not show the mileage of bye-roads now. Perhaps it would be well to employ some one John M. Wilson, who is to be hanged at to make a measurement of all the By-roads, Norristown, Pa., for the murder of Anthony or appoint one Councillor for each parish to do so, but in the meantime let the money this year be distributed the same as before. Certainly, the time must come when the
