F. W. BOYER'S,

LAST CHANCE!

This is the last chance this season to get nice, new, fresh Butter, ground Old WHITE WINTER WHEAT, as four ground from NEW WHEAT will not give good satisfaction till about the 1st Dec.

It is the general experience of women, that during the autumn months, when the term runs and dark in the color, this is owing to the four being ground from new wheat. I have secured a choice lot of "Old White" and "Star" flour in barrels and half barrels shipped at the mill, the flour is of the best quality, which I will sell at a small advance on cost.

Also a good supply of:

Sugar, Salt, Cornmeal, Oatmeal, Graham Flour, Tea, Coffee, Spices, Soda, Starch, Canned Goods, Tapioca, Macaroni, Brooms, Chocolate, Cocoa, Gelatine, Dried Fruit, Coconut, Corn Starch, Pickles in barrels and bottles, Worcester Sauce, North of England Sauce, Ketchup, Horseradish, etc.

Miscellaneous.

The effeminate man is a weak pulchre. He is a cross between a rooster and a pig-pop, with the cork out; a fresh water mermaid found in a cow-pasture, with dandelions. He is a teacupful of syllabub; a kitten in pantaloons; a sick monkey with a blonde mustache. He is a vine without a tendril; a fly drowned in oil; a paper kite in a dead calm. He lives like a butterfly—nobody can tell why. He is as harmless as a cent's worth of spruce gum, and a shirt-button without a thread. He is as lazy as a broad pill, and has no more hope than a last year's grasshopper. He goes through life on tip-toe, and dies like cologne water spilt on the ground.

Consumption Curable.

It cannot be too often impressed on every one that the much dreaded consumption (which is only lung disease), is curable, if attended to at once, and that the primary symptoms, so often mistaken as signs of diseased lungs, are only symptoms of an unhealthy liver. To the organ, the system is indebted for pure blood, and to pure blood the lungs are indebted no less than to pure air for healthy action. If the former is polluted, we have the hacking cough, the hectic flush, night sweats, and a whole train of symptoms resembling consumption. Brought the liver to healthy action by the use of Dr. Pierce's Golden Medical Discovery, takes healthy exercise, lives in the open air, and all the symptoms of consumption will disappear. For weak lungs, spitting of blood, shortness of breath, chronic nasal catarrh, bronchitis, asthma, severe coughs, and kindred affections, it is a most wonderful remedy.

"Mother," said the 5-year-old demon, just as Mrs. Oldboy was preparing to leave home on a six weeks' visit, "what business do you go for to wear that long winter?"

"Locked up, for Willie. Why?"

"Say, has wings grown on it?"

"No, why do you ask such silly questions?"

"Cause I heard pop say, this morning, he would make the fur fly while you are away."

The trunks were at once unpacked, and the look that came into Mrs. Oldboy's face made the clock strike 34.

ADVICE TO MOTHERS

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once to get a bottle of "Mrs. Winslow's Soothing Syrup" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers there is no more danger about it. It cures dysentery and diarrhea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, soothes the throat, gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Beware and ask for "Mrs. Winslow's Soothing Syrup" and take no other kind.

Patron—That last meat you sold me was stale.

Butcher—Was it?

Patron—Yes, it was, and mighty stale.

Butcher—I can show you something ahead of that meat for staling.

Patron—Don't believe it. What?

Butcher—Your account on my books.

Give Them A Chance!

That is to say, your lungs. All our breathing machinery. Very wonderful machinery. It is not only the larger air-passages, but the thousands of little tubes leading to them.

When these are clogged and choked with matter which ought not to be there, the breathing cannot do half their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and lung and obstructed, all are bad. All ought to get rid of them. That is to say, one way to get rid of them. That is to take Boecher's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything has failed you, you may depend upon this for certain.

"You have a lively set of clerks," he said to the proprietor of the establishment.

"It must be pleasant and profitable to have employees so full of energy and vim."

"Yes," responded the proprietor, "we close early to-day, and they are getting ready to go home."

Asleep on the Railroad Track.

A little child, three years of age, lay propped up on a rail and fallen asleep. The train was almost upon him when a passing stranger rushed forward and saved him from a certain fate. Perhaps you are asleep on the track, too. You are, if you are neglecting the biliousness and constipation which trouble you, in the hope that you will "come out all right." Wake up, or the train will be upon you! Constipation is the forerunner of a general poisoning of the system. Dr. Fowler's Pleasant Pellets will regulate your liver, stomach and bowels, and restore your system to its normal condition.

"Pa," inquired Bobby, "what is meant by 'seeing is believing'?"

"It means that we are more apt to believe a thing if we see it."

"Well, ma, raised a blister when she spanked me yesterday," went on Bobby.

"I can't see it, pa, but I know it's there."

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the ideas of some manufacturers of getting something out of nothing, if possible. Growers get boxes for 50¢ of some kind, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such a soap to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy price. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

"Hello, Jack, where have you been?"

"Collecting."

"What success?"

"Bad. I've rummaged the city from one end to another and I can't find a man that owes me a cent."
