The First Sign Of failing health, whether in the form of Night Sweats and Nervousness, or in a sense of General Weariness and Loss of Appetite, should suggest the use of Ayer's Sarsaparilla. icines, no doubt has largely benefited the consumers, as well as ralieving the burden of home manufacturers. Especially is this the case with Green's August Flower and Boschee's German Syrup, as the reduction of thirty-six cents per dozen, has been added to the increased size of the bettles containing these permediant thereby dozen, has been added to the increased size of the bottles containing these remedies, thereby giving one-fifth more medicine in the 75 cent size. The dayast Flower for Dyspepsia and Liver Complaint, and the German Syrup for Cough and Lung troubles, have perhaps, the largest sale of any medicines in the world.
