Early in the Spring we expect to see the beautiful blossoms of the expect to see the beautiful blossoms of the result.

Brighton, March 24, 1888—12.

Brighton, March 24, 1888—12.

OPERA HOUSE to contemplate the pleasure there is in store government; it seems to be too much to ex-Mrs. Miles has been visiting friends up river. Summer we hope to enjoy the pleasure of The roads in Fourth Tier are in a pretty bad state. Mr. Taylor, Jacksonville, broke his from that delicate blossom. It is pleasant determined opposition from the lawyers; no sleigh all to pieces while travelling from Wood. even now to think of the fruit as well as two of them appear to agree on any one stock, on account of the slewy nature of the roses that are "underneath the snow." The strawberry is the king of all the berries one making radical changes in the Commission of the Peace, the full purport of which who does not enjoy eating strawberries and I am not able to give; it is said, however, The weather has been stormy for the past day cream. I think not. The great question is their power is to be curtailed, if not entirely or two, fi ing the roads up as fast as worn down how to get enough of them. Even strawberry taken from them, in the collection of debts. festivals often fail in satisfying the voracious and that one or two persons are to be apappetite that always exists for strawberries pointed in each parish as Trial Justices. At Comedy Company. Black, Cream, White and Tuscan lace flounc- and cream. Is not this delicious fruit that attachment law is promised; also one re \$2 515 88 ing 40 inch, in all prices, at R. B. Belyea & is found in almost every part of the world lating to bills of sale. worthy of our study as well as our admi ation? It certainly is. Although the fruit

No trouble to show Goods at Hugh Hay's. is tender and soon decays, the plant itself is hardy and will grow and flourish farther North than wheat, and where the apple, plum (For the Sentinel ) and pear will die through the Winter, the Mr. John Fero, of Lewiston, Maine, has lately bought of E. Lundon, Canterbury, enow green and happy looking. Although York Co., a Hambletonian colt which, from its superior trotting action, promises to be week, after an absence of five months on the so bardy, and its fruit so luscious and wholea good one. She is by Grant's Hamblesome, its culture is of comparatively modern R Kent & Son, with party, expect to be date. The cultivation of the strawberry in three year-old races in Spring and Fall of home from the woods the last of present month. many localities is a large and profitable in 1885 on Woodstock track; also winner of dustry. Because they grow wild and can be had for the picking, the conclusion is gener-following year. Johnny G. is grandson of ally arrived at that it can not pay to cultivate Robert R. Morris, sire of J. P. Morris 2.191 them for home use. But, this is a hasty conclusion. A great deal is now known about the nature and habits of this plant, and its Morris 2 34, Lee Morris 2 40, and Senator the right of control of any local public work.

The seventh demands for the provinces the for the abolition of the Stock farm? Was clined to think that a great many of our Walker, St. John, N. B; was never handled farmers would cultivate the strawberry if for speed, but has been timed a half mile in A very large and enthusiastic public temper-their attention was specially drawn to the pleasure and profit of doing so, and this is sire of Sir Charles, who has trotted quarters eire of Sir Charles, who has trotted quarters my excuse for writing about the strawberry faster than 220, and Helena 235. Her HATS AND BONNETS had been practically wasted. His judgment was that all stock imported should be put on the market and sold to the highest bidder. If that course were adopted, and a new distribution of societies took place, as this bill proposes, the honest farmer of the country would no longer have to compete against the rings of the so called agricultural soc eties.

Call at R. B. Porter & Co.'s and see the new lock was the programme. This Lodge has decided to lock was the cause of the service of the service of the cause of the columns of the Sentingle. If he is a benefactor to his race that will make or in the columns of the Sentingle. If he is a benefactor to his race that will make or in the columns of the Sentingle. If he is a grandsire had a record of 2 29½, and is the duce someone else to make two spears of grass grandsire was the sire of Lady Thorn 2 18½, and recitation by Miss Anna B. Adair; speech by H. Adair, where only one now grows, I am in clined to think the knowledge that would make ten strawberries grow where none now grow, and make them grow near the house, and recitation of this colt, that Mr. Fero is negotiating with Mr. Lundon for the public. I do not mean to encourage the idea of that our farmers generally should go largely sire Hillmont by the Almont stallion Olymthat our farmers generally should go largely pus. The dam of these colts is now in foal Sire Hillmont by the Almont stallion Olymhold a public meeting the first Tuesday in each into the cultivation of this berry as a special to Harry Wilkes, sire of Roseline Wilkes branch of farming That is a very different thing from raising what is required for family
The farmer who is looking forward to imuse, and not quite so easily done. What I wish to aim at is to induce all our farmers to wholesale and retail, prices lower than the low- think I will strike the bulls eye, but I am convinced that a great many of those who live in the country do not get half as many strawberries and cream as they can and should eat. To give a family all the strawberries they can

making selection of his breeding anima's. It is of the utmost importance that the sire chosen be in every respect a choice animal, possessing the best qualities which the offspring is desired to possess. A type of this kind of sire is the stallion Hillmont whom the Victoria Hotel, which I may add is one of the pleasantest in Woodstock, is justly proud of him. Horsemen don't think that it

will be any trouble for this borse to trot in 2.85 if handled for epeed during the next season; he can show a 2 40 gait without any Ladies, Misses and Children's Wigwam Slip-
