MONEY TO LOAN
Woodstock, March 27, 1888.—13

ONE THIRD OF YOUR LIFE
IS SPENT IN BED.

How important then that you have a good
bed to sleep on. The more quiet and un-
disturbed your rest, the more fully does nature
renew the waste and damage your system has
sustained during the day. The man who goes
to bed exhausted by the labor of the day and
stretches himself upon a hard uneven bed
will rise in the morning very little benefited by
his sleep. Good reliable agents wanted in the North
and Eastern Counties, to whom exclusive Terri-
tory will be given. I am also prepared to
right to manufacturers in Nova Scotia and P. E.
Islands, to arrange with reliable parties who
wish to manufacture locally.

the 1st of June.

In the general experience of women, that
four during the autumn months, is what they
term rummy and dark in the color; this is owing
to the fact that during the autumn months, the
body is full of the "Growth of Gold," and
"Bread" is in the blood, and the hair is in the
process of growing, and the skin is in the process
of shedding, and the body is in the process of
growing, and the skin is in the process of shed-
ding, and the body is in the process of growing,
and the skin is in the process of shedding.
