HAY'S BLOCK, Opposite 5 & 10 Cent Store, Woodstock, June 22, 1888.

"You're a Whist-ling!"

"They do tell me that you can buy things cheaper at F. W. Boyer's than you can in Montreal, St. John, Fredericton, or Miramichi."

Right you are, old man.

And not having saved any of my immense stock of Groceries from the Miramichi fire of 1875, and our Confectionery department having been completely exhausted from the loss of the sterling silver of Miramichi, by the devoting and Grocery-department funds; consequently we cannot give a whole pound of Candy in the purchase of five dollars worth of goods; nor a silver watch with every pound of tea; but having special agents at Nackawick, King's Task, Battermill Creek, Williamstown and Carleton Place, who keep us informed as to the fluctuations of Groceries, we are thus enabled to duplicate Miramichi prices.

"You're a Whist-ling!"

We buy all our Tea in Ireland, from the celebrated house-keepers of McFadden, McCann, McCann & Co., who receive tea per barrel from the well known tea farm of Ah Wing & Co., Hong Kong, China. It not only is adulterated with 20 gold pieces, we can warrant it. We sell the poor tea, the rich give us a song and dance. So should you want anything in the GROCERY line, at Rock Bottom Prices, call on the people's friend.

NEW BRUNSWICK SUNDAY SCHOOL ASSOCIATION.

To the Editors of the Carleton Sentinel:

Benton, June 22, 1888.

DEAR SIRS,—Will you kindly allow me to say to those who are interested in Sunday School work in N. B., that the Executive Committee of our Provincial S. S. Association have arranged a plan of campaign for the Summer which we wish to call attention to.

First—We have arranged with the County S. S. Associations that all of their annual conventions shall be held in consecutive order on the plan to be hereafter mentioned.

Second—We have secured the services of Col. Robert Cowden, of Galton, Ohio, one of the most successful Sunday School workers in the United States, an accomplished S. S. Institute, Normal class, and Assembly conductor, who will be present at all of our County Conventions, and also at the Provincial Association. Col. Cowden will give his most interesting and instructive addresses on such subjects as "The Teacher's Preparation," "The Method of Teaching," "The Teacher's Qualification," "The Principle of Teaching," or "The Seven Laws of Instruction." He will show methods of conducting "Primary Class," "Teachers' Meetings," and other phases of S. S. work. After working these lessons out on the blackboard step by step, presents each one with a printed leaflet of lesson to take home for study and review. We have had letters from Mrs. W. F. Crafts and many others who have been with the Column while at work, and they speak in the highest terms of his ability, and congratulate N. B. on having secured his services.

With the assistance of such a noted helper, we wish now to have the greatest possible number of Teachers and Superintendents present at the meetings. While we especially urge the Teachers and officers to come, we will be glad to welcome all who have any interest in Christian work. We venture the suggestion that day-school teachers will meet in Col. Cowden's work of practical interest to them.

As our is an inter-denominational association we welcome all, and hope much good shall come of the effort to instruct. We have arranged that Col. Cowden shall be in our largest towns over Sunday, when he will speak as arrangements may be made.

Our plan is as follows:—

Sunday, July 22d.—Col. Cowden will reach St. John, and remain there Sunday, Monday and Tuesday, the 22d, 23d and 24th.

Wednesday, July 25th.—He goes to King's County, remaining to the Convention at Apolonia on Thursday and Friday, 26th and 27th.

Saturday, July 28th.—He will go to Moncton, remaining there Sunday, 29th, and attending Westernland Convention at Shediac, Monday and Tuesday, 30th and 31st.

Wednesday, August 1st.—He will go to Albert, remaining to the County Convention at Hopewell Cape, Thursday and Friday, 2d and 3d.

Saturday, August 4th.—He goes to Campbellton, remaining Sunday and attending Rangouish Convention at Dalhousie, 5th and 6th.

Wednesday, August 8th.—Goes to Gloucester, remaining to the Convention at Bathurst, Thursday, 9th.

Friday, August 10th.—Goes to Northumberland County Convention at Chatham, remaining Saturday, 11th, and spending Sunday, 12th, at Chatham.

Monday, August 13th.—Goes to Kent County, remaining there Tuesday and Wednesday, 14th and 15th, attending the Convention at West Branch, and leaving Wednesday, 15th.

Wednesday, August 16th.—Goes to Fredericton to attend Queen's County Convention at Fagetown, on Thursday and Friday, 16th and 17th.

Saturday, August 18th.—Goes to Fredericton, where he remains Sunday, 19th, and attends York Convention at Fredericton, Monday and Tuesday, 20th and 21st.

Wednesday, August 23d.—Goes to Centreville to attend Carleton County Convention there, remaining over Thursday, 23d.

Friday, August 24th.—He goes to Victoria County, attending the Convention at Lower Perth, and leaving Saturday, 25th.

Sunday, August 26th.—He spends in Woodstock.

Monday, August 27th.—He goes to Sunbury County to attend County Convention at Fredericton, remaining there Tuesday and Wednesday, 28th and 29th.

Thursday, August 30th.—He goes to Charlotte County to attend County Convention at St. Stephen, remaining there till over Sunday, September 2d, which he spends at St. Stephen.

Monday, September 3d.—Goes to Woodstock to attend Provincial Association, which holds there Tuesday, Wednesday and Thursday, September 4th, 5th and 6th.—This ends his tour.

Trusting the importance of this work, and the interest taken in it by the Christian public, will be sufficient apology for using so much space in your valuable paper.

I remain, yours, very truly,

S. J. PARSONS, Secretary.
