WAR!

And Rumors of War!

As some of the bloodthirsty and gore-devouring periodicals of our American cousins are at the present time predicting for us a dire, dreadful, awful, fearful and calamitous fate, should we fail to let them have our "red herring" *free gratis*; and on account of the danger of Woodstock being submerged in the swamps of Mattawamkeag by American scientific "cheers," and the hills of Newburg merged into "Paddy's Hollow," Houlton, Aroostook County, United States of America, by the same death dealing machinery, and ere the "dogs of war" begin to bark around my door, and ere I buckle on the accoutrements of war and go to defend my hearth and home, (in the language of the distinguished Brat, slightly transmogrified) at the "peril of my hazard," I will sell my entire stock of

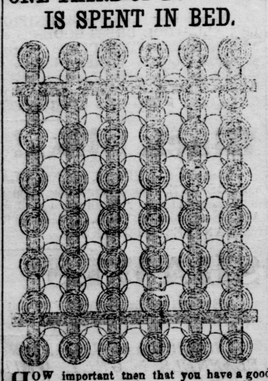
ONE THIRD OF YOUR LIFE IS SPENT IN BED.



HOW important then that you have a good Bed to sleep on. The more quiet and undisturbed your slumber, the more fully does nature repair the waste and damage your system has sustained during the day. The man who comes home exhausted by the labors of the day and stretches himself upon a hard uneven bed will rise in the morning very little benefitted by his sleep. Other things being equal, the man who has a comfortable bed will have clearer brain a stronger arm, and a longer life than his neighbor who is not so fortunate. The BUTTERFIELD SPRING BED will positively give more solid comfort to the square inch than any other bed in the market. And the man who is fortunate enough to possess one is led to say with Sancho Panza: "Blessed be the man that invented sleep." It is the only bed ever made that has the elastic spring and brace, each bed being connected on the surface with side springs. There is thus formed a perfect spring surface, which gives an elastic movement wherever weight is placed.

Having secured the exclusive right to manufacture these Beds in New Brunswick, I am prepared to sell them either at wholesale or retail.

Good reliable agents wanted in the Northern and Eastern Counties, to whom exclusive Territory will be given. I am also prepared to sell rights to manufacture in Nova Scotia and P. E. Island, or to arrange with reliable parties who wish to manufacture on royalty.

LAST CHANCE!

This is the last chance this season to get nice, new, fresh Flour, ground from OLD WHITE WINTER WHEAT, as flour ground from NEW WHEAT will not give good satisfaction till about the 1st Dec.

Woodstock, Aug. 30.—3m-35.

Miscellaneous.

AT THE CHURCH FAIR.—"Do you mean to tell me, Miss Gushaway that you popped all this corn, yourself?"

"I did, Mr. Spoonamore. The work was done in a good cause. Besides, I really enjoyed it."

[Tenderly] "The sound of popping is—is not disagreeable to you, Miss Gushaway?

[With a cold, business-like manner] "Not when it comes from popcorn. How many bags will you have, Mr. Spoonamore?

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP" and take no other kind.

COMPLETE SUCCESS.—Young Mr. Waldo [to Miss Breezy]—What are your views, Miss Breezy, in regard to the question, "Is marriage a failure?"

Miss Breezy [of Chicago]—Why, I can't speak from experience, of course, Mr. Waldo, but I have a very dear friend who was married a year ago, and she has found it a delightful success.

Mr. Waldo—She is happy, then?

Miss Breezy—Oh, very, Mr. Waldo. Clara draws $50 a week alimony.

C. C. RICHARDS & Co.

Gents,—My daughter had a severe cold and injured her spine so she could not walk, and suffered very much. I called in our family physician; he pronounced it inflammation of the spine and recommended MINARD'S LINIMENT to be used freely. 3 bottles cured her. I have used your MINARD'S LINIMENT for a broken breast; it reduced the inflammation and cured me in 10 days. I would recommend it to all ladies who are suffering from the same severe trouble.

MRS. F. SILAER.

Hantsport.

A PRICELY DOWER.—A professional beggar was about to give away his daughter in marriage, and boasted that the young woman would receive a splendid dowry. "Why, what, dowry can you give her, you have nothing!" said one.

"Well, I am giving her two provinces—Saxony and Pommerania," was the reply; I haven't begged there yet.

What Ails You?

Do you have obstructions of the nasal passages, discharges from head and throat, sometimes profuse, acrid and watery, at others thick, tenacious, mucous, purulent, bloody, putrid and offensive; dull heavy headache most of the time, with occasional "splitting headaches"; are your eyes weak, watery, or inflamed; is there ringing in your ears, with more or less deafness; do you have to hack, cough and gag, in your efforts to clear your throat in the morning; do you expectorate offensive matter, scabs from ulcers, perhaps tinged with blood; is your voice changed and is there a "nasal twang" to it; is your breath offensive; are your senses of taste and smell impaired? If you have all or any considerable number of these symptoms, you are suffering from that most common and dangerous of maladies—chronic nasal catarrh. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Sage's Catarrh Remedy, which is sold by druggists at only 50 cents, will cure it. The manufacturers of this wonderful remedy offer, in good faith, $500 for a case of this disease which they cannot cure.

A MEAN MAN.—"What is the trouble between you and Charlie, my dear?" said a fond mother to her daughter.

"Why, ma, I threw him a kiss when he went away, and he threw it right back, and I never shall forgive him, s'there now!"

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections; also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this receipt in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149 *Power's Block, Rochester, N. Y.*

"You have heard all the evidence," said a judge, in summing up; "you have also heard what the counsel have said. If you believe what the counsel for the plaintiff has told you, your verdict will be for the plaintiff; but if, on the other hand, you believe what the defendant's counsel has told you, then you will give a verdict for the defendant. But if you are like me, and don't believe what either of them have said, then I'll be hanged if I know what you will do."

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

A superstitious subscriber, who found a spider just inside a paper, wants to know if it is considered a bad omen. Nothing of the kind. The spider was merely looking over the inside of the paper to see what merchant was not advertising, so that it could spin its web across his door and be free from disturbance.

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

The editor of an esteemed contemporary wonders how he will get his clothes over his wings when he gets to heaven. Don't worry, dear brother, on that score. You may, sometimes, find difficulty in getting your boots on over your cloven hoofs or making your hat cover your horns, but don't bother about the wings. —*Minneapolis Tribune.*

Causing an Impression.

Many cures made by B B B. have been those of chronic sufferers known throughout the district through the very fact of their having been afflicted for years. This naturally creates a strong impression in favor of this valuable family medicine.

Bobby came into the house, sobbing, and told his mother that Tommy White, a neighbor's boy, had kicked him.

"Well, Tommy White is a very bad boy," said Bobby's mother, handing him a large slice of cake; "you didn't kick him back, did you, Bobby?"

"No," replied Bobby, between bites; "I kicked him first."

Bessie [just home from boarding-school]—I'm delighted to see you mamma. (Kisses her.)

Mamma [regarding her suspiciously]—Bessie, you didn't kiss with a burrowing motion when you went away from home. You learned that from somebody with a long moustache!

An Old Time Favorite.

The season of green fruits and summer drinks is the time when the worst forms of cholera morbus and bowel complaints prevail. As a safeguard, Dr. Fowler's Extract of Wild Strawberry should be kept at hand. For thirty years it has been the most reliable remedy.

We should never judge a man by his clothes. A lavender Derby may sometimes cover brains, and a warm heart often beats beneath the haughty exterior of an old-gold vest with pink polka dots.

A Dying Wish

to try Burdock Blood Bitters is often expressed by some sufferer upon whom all other treatment has failed. Marvelous results have often been obtained by the use of this grand restorative and purifying tonic under these circumstances.

Son—Papa, how do they catch lunatics?

Cynical Father—With large, straw hats and feathers and white dresses, jewelry and neat gloves, my boy.

Mamma [musingly]—Yes, I remember, that's how I dressed before we were married.

The voyage from maiden fair to womanhood is often attended with many perils. Mothers should insist upon their daughter being prepared with every means of safety. Universally acknowledged as the reliable "Life-preserver" on this rough sea of uncertainties, is Dr. Pierce's Favorite Prescription. It has averted many a disaster. It has rescued many a periled life? This popular remedy is prepared especially for Woman. It is the only remedy of its class sold by druggists under a positive guarantee to give satisfaction. This guarantee has been faithfully carried out by the manufacturers for many years.

"If it wasn't for one thing, John," said she, as they sat down to their frugal dinner, "I could have some nice oyster soup."

"Indeed! What was that?"

"I didn't have anything towards it but the salt."

Just opened 2 cases Ladies Kid Button boots, Worked button hole, only 90 cts. per pair, at R. B. Belyea & Co.'s.

They say that a Bangor lawyer, noted for being absent-minded, went up his own stairs the other day and, seeing a notice on his own door, "Back at 2 o'clock," sat down to wait for himself.

Ladies, when you want a Paper Pattern, call at Hugh Hay's and get one of the renowned "Domestic" perfect fitting.

Husband—The parlor is very cold to-night.

Wife—Very.

Husband—Has—has your mother been sitting here very long?

Read R. B. Porter & Co.'s advertisement in to-day's issue.

Mistress—Why, Nora, how dusty the chairs are!

Maid—Yis, mim; there's nobody sat on thim to-day, mim.

Bright Boy [to visiting pastor]—Now, try it on me! Ma says you can put anyone to sleep in five minutes.

CATARRH, CATARRHAL DEAFNESS, HAY FEVER.

A New Home Treatment.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this for a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two week. N. N.—For catarrhal discharges peculiar to females (whites) this remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. DIXON & SON, 303 West King St., Toronto, Canada.—*Scientific American*

Sufferers from catarrhal troubles should carefully read the above.

When, from any cause, the digestive and secretory organs become disordered, they may be stimulated to healthy action by the use of Ayer's Cathartic Pills. The Pills are prescribed by the best physicians, and are for sale at all the drug stores.

Do not judge a man by his coat. Social standing to-day is based entirely upon the cut of ones trousers.

A West side boy calls his mother's slipper "yellow jacket" because it has so much sting in it.

"So far so good," as the boy said when he had finished the first pot of his mother's jam.

Which dress lasts a lady the longest? Her house-dress, because she never wears it out.

Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.,) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.

Ayer's Sarsaparilla,

PREPARED BY

Dr. J. C. Ayer & Co., Lowell, Mass.
Price $1; six bottles, $5. Worth $5 a bottle.

Why is there nothing like leather? Because it is the sole support of man.

Going out with the tied—A wedding party leaving the church.

Attending a bawl—Minding the baby's cry.

A grave offense—Body snatching.

A scaly trick—Catching a fish.

PARSONS' PILLS

These pills were a wonderful discovery. No others like them in the world. Will positively cure or relieve all manner of disease. The information around each box is worth ten times the cost of a box of pills. Find out about them, and you will always be thankful. One pill a dose. Parsons' Pills contain nothing harmful; are easy to take, and cause no inconvenience. One box will do more to purify the blood and cure chronic ill health than $5 worth of any other remedy yet discovered. If people could be made to realize the marvelous power of these pills, they would walk 100 miles to get a box if they could not be had without. Sent by mail for 25 cents in stamps. Illustrated pamphlet free, postpaid. Send for it; the information is very valuable. I. S. JOHNSON & CO., 22 Custom House Street, BOSTON, MASS.
