Selegt Tale. THE PASTOR OF ST. AGATHY BY S. U. W.

In the most remote and unknown part price. of one of the French departments, there existed in 1793 a little village of poor houses, which might more properly be called huts, for their roofs were composed of reed and straw, and their walls was a proposition, which for a man of thy age There lived here, however, a commu- ishment. nity distinguished both for simplicity of manners and firmness of religious principle. Its pastor had taken its post here at the age of twenty-five, and had ever

inward piety can stimulate. Thus he had spent fifty years, and had won the hearts of all his parishioners, who loved and reverenced him as weight, alum or phosphate powders. Sold only in weight, alum or phosphate powders. Sold only in cans. Royal Baking Powder Co, 166 Wall father. He had, during this time, declined all propositions for bettering his osition; partly from love of those under his charge, partly from fear that no ether pastor would remain long enough in such

poverty, doing all the good he could in wish. his narrow sphere, for which he felt himself richly rewarded by the childlike love As the French revolution broke out the pastor began to fear that neither he

or his flock would be spared from the all visiting storm. One day he received orders from th shall be raised that would affect thee in chief of police of the department to swear laying out the money. to what was then called the civil constitution of the clergy, or to give up imme diately his post, and quit his parish.

The good man was so little acquainted with political matters, that he did not know at first what was required of him but as a copy of the constitution accompanied the order, he lost no time is studying its contents, and came to the conviction that he could neither acknowledge nor swear to it.

Still less did he think himself bound to obey the orders by leaving the parish. He continued, therefore, to remain at St. Agathy and to perform his clerical offices as if nothing uncommon had happened. believing himself acting according to his he has on hand the largest stock of Meanwhile this

Meanwhile, this measure, to which many other clergymen also refused to conform, began to create troubles, particularly in the Department of the West After the authorities had forcibly removed many of the opposing clergymen desolare parish. the discontented parishes united them selves in a formal alliance, and prepared to defend themselves by arms against all violence. Thus was developed, by degrees, an insurrection, which from a mere spark became a raging flame. The National Convention, informed of have a first-class HEARSE and COACH in connection. Particular attention given to laying

restore tranquility wherever it was dis-Commissaries were appointed with full owers. Such a commissary come to Niort, the chief place of the department in which St. Agathy was situated. This man was of a cruel nature, and

believed himself bound to act with sev erity against all those who resisted. He the head of such as could not be found. The pastor of St. Agathy could evinotice to his many friends that he has Removed his remaining Stock to the such that he has Removed his remaining Stock to the such that he has Removed his remaining Stock to the such that he has Removed his remaining Stock to the such that he has Removed his many friends that he has Removed his means must be used against them. Dr. Fowler's journey there, I went without your knowledge. My business is now art to cure or relieve. where he will in future be found, and where h

Leading Novelties in the Harness sembled. Of resistance there could be no question, as it would have been usesembled. Of resistance there could be iety, could not be forsaken. It was to repair the loss. In this pocket-book

He opposed at first, and he would willingly endure whatever beaven had ordained for him. He suffered himself. however, finally to be led by his faithful parishioners to a coal-hut in the forest, where four armed men remained with him, both to prevent him from delivering time, remain as you ever have been, inhimself up voluntarily, and to defend

him in case of necessity. The following day eighty soldiers, at the village, to get possession of the

Capital paid up. - \$1,000,000 The leader of the troops made the inhis visit, and demanded of them, in the name of the law, to deliver up their pastor, without hesitation. D. H. DUNCAN, Cashier

As the command was not obeyed, the soldiers began a search. They searched every room and corner of the parsonage but in vain-broke open the doors of the church, ravaged and desecrated every part of it, but found not what they sought; and finally went again from house to house, but all to no purpose. The priest of St. Agathy was now declared criminal before the law, and the price of twenty thousand francs set upon his head. The whole village was then set on fire, and amid the desolation they following behind

to the sound of the drum and fife. Towards evening the pastor was informed that the danger was past; but he did not know what price his parishioners had paid for his safety. He returned with those who accompanied him, not to the village of St. Agathy, but to the That here in your very midst is as good a stock of For a Dozen nice CABINET PHOTOS. smoking ruins where it had once been. "Band of Hope," be retained for societies of small children, and that of Loyal Legion be given to those composed of older children and youthe from 12 to 21 years of age; also that

In England there is a man named William Bailey, a wealthy man doing a large business. He had once been a farm laborer. Some years ago, as he was walking across a hayfield he saw some men mowing, and he crossed over to them and asked if he might mow. One of the men said yes, and handed him a scythe. Soon one of them remarked: "Why, you have mowed before!

"Yes, I have," said Bailey; "and at first

I drank beer regularly; but while I was

mowing and drinking my beer, the idea sud-denly came to me that I could mow just as "Oh, I couldn't work without beer," said one of the laborers; "I couldn't get on."

"After I began to mow without beer, I soon discovered that I could get on without What is meant by an inch of rainfall is that mowing," replied Bailey.

14,500,000 gallons of water have fallen upon "We should like that very well," said the

"Ob, no, you can not do without your beer, and you will go on mowing all your lives, without rising to anything better, just because you will have your beer. There is many a workingman now putting

all his savings into the hands of the ealoonkeeper, instead of keeping them himself, and Samuel Wheelock, of Providence, advertises that is the reason he does not get on. that he wants to cell his wife for cash, or ex-"I have backed as many as eixty tons of coal in a day since I took the pledge," said a London "coal whipper." "But before that, been able to crawl home, and I should have been certain to lose the next day's work."
