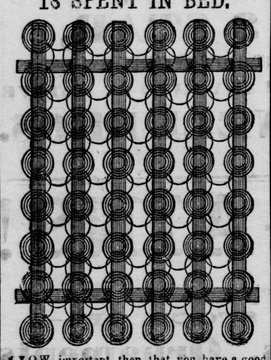
ONE THIRD OF YOUR LIFE IS SPENT IN BED.



HOW important then that you have a good Bed to sleep on. The more quiet and undisturbed your slumber, the more fully does nature repair the waste and damage your system has sustained during the day. The man who comes home exhausted by the labors of the day and stretches himself upon a hard uneven bed will rise in the morning very little benefitted by his sleep. Other things being equal, the man who has a comfortable bed will have clearer brain a stronger arm, and a longer life than his neighbor who is not so fortunate. The BUTTERFIELD SPRING BED will positively give more solid comfort to the square inch than any other bed in the market. And the man who is fortunate enough to possess one is led to say with Sancho Panza: "Blessed be the man that invented sleep." It is the only bed ever made that has the elastic spring and brace, each bed being connected on the surface with side springs. There is thus formed a perfect spring surface, which gives an elastic movement wherever weight is placed

Having secured the exclusive right to manufacture these Beds in New Brunswick, I am prepared to sell them either at wholesale or retail.

Good reliable agents wanted in the Northern and Eastern Counties, to whom exclusive Territory will be given. I am also prepared to sell rights to manufacture in Nova Scotia and P. E. Island, or to arrange with reliable parties who wish to manufacture on royalty.

Miscellaneous.

TIT FOR TAT.—"The wife for me," he said, "is the old-fashioned girl—the girl who makes a good housewife—who has been brought up to sew and to cook, and to wash and to iron—the kind of girl that they used to have before girls went in for fashionable flummery and accomplishments, and things."

"Yes," said she, "I understand. Well, my ideal of a husband is also of the old-fashioned sort. I want one who will shovel snow, put in coal, split kindlings, put up stoves, dig garden beds, beat carpets—and do all the things that husbands used to do before they went in for silk hats, and clubs, and four-in-hands, and things."

There was a thick, glutinous silence for a few moments, while he pondered deeply and broadly.

"I wonder," he said at last, "exactly how much of an ass I am."

"I wonder!" she echoed, with a speculative expression in her eyes.

Gents,—Having used MINARD'S LINIMENT for several years in my stable, I attest to its being the best thing I know of for horse flesh. In the family, we have used it for every purpose that a liniment is adapted for, it being recommended to us by the late Dr. J. L R Webster. Personally I find it the best allayer of neuralgic pain I have ever used.

"My beloved brethren," announced a preacher from his pulpit, "on Sabbath morning next a collection will be taken up for our blessed Fiji mission."

"Amen," rang fervently through the congregation.

"And I would add," went on the preacher, impressively, "that amens, however resonant and sincere, make but little rattle in the contribution box. Let us unite in prayer."

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

A late Judge, whose personal appearance was unprepossessing as his legal knowledge was profound and his intellect keen, interrupted a female witness.

"Humbugged you, my good woman. What do you mean by that?" said he sternly.

"Well, my lord," replied the woman, "I don't know how to explain it exactly; but if a girl called your Lordship a handsome man she would be humbugging you."

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections; also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this receipt in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149 *Power's Block, Rochester, N. Y.*

DARWINIAN EVOLUTION. — "What's the matter, Pat?"

"More fun in the family this morning, sor."

"Yes; twins again?"

"No sir; faith, an it's triplets this time."

"Your getting on."

"Gittin' on is it! By hivins, sor, I belave the next'll be quadrupeds?"

For Ladies Only.

Ladies—why is it, that when your husband or your children are ill, you consult the best physician at once, care for them day and night, wear yourself out with sleepless watching, and never begrudge the heaviest doctor's bill, if only the dear ones are restored to health; while day after day, week after week, you endure that dull pain in the back—that terrible "dragging-down" sensation—and you do absolutely nothing to effect a cure? In a few years you will be a helpless invalid, and soon your broken-hearted husband and motherless children will follow you to the grave. Perhaps delicacy prevents you consulting a physician—but even this is not necessary. Poor sufferer, tell your husband how badly you feel—perhaps you never did—and ask him to stop to-night and get you a bottle of Dr. Pierce's Favorite Prescription. It has cured thousands of women suffering from weaknesses and complaints peculiar to you sex

Doting Parent—What, my dear, a new gown and outfit for your confirmation? Won't your last commencement dress do well enough?

Wheedling daughter (the favorite—and knows it).—Now, papa, dear! How could you think of it? Surely, you wouldn't have your little pet confirmed in her old habits."

"One Foot In The Grave."

How often do we hear the above said of some poor pilgrim o'er life's thorny path, whose tottering step, pallid face, unnatural glitter of the eye and hacking cough, and its accompanying involuntary pressure of the hand over the lungs, the seat of the dread disease—consumption—that causes the remark? Too frequently, alas! and in the interests of such unfortunates this is penned, to assure them that their steps need tend no longer toward that narrow receptacle that awaits all—that is, until life's allotted space is covered—from any such cause, for the scientific researches of Dr. R V. Pierce, resulting in the "Golden Medical Discovery," having wrested from Nature a remedy which never fails to cure this scourge of our race (which is really nothing more nor less than Scrofula of the Lungs), if taken in time. Druggists sell it.

Don't forget to go to R B. Porter & Co.'s and secure some of the great bargains they are offering.

Oakland Pastor — Good morning, Johnny, my poor little boy, is your father to be buried to day"

Johnny—No sir. The funeral has been postponed.

"What for?

"Mamma has been invited out to a progressive euchre party to-night and she wants to feel fresh."

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays a fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

Indignant Physician—Man, what have you done? You sent my patient the wrong prescription, and it killed him.

Druggist (a calm man, unaccustomed to abuse)—Vhell, vhat vas der madder mit you? Last week I send your odder patient der righd perscription, und dot killed him. How can somebody blease sooch a man?

Biliousness.

"I should not think it right dil I not give my testimony of what I know to be the value of Burdock Blood Bitters. Being a sufferer from Biliousness, I took one bottle of B. B B and it gave me immediate relief. I recommend it as a cure for Biliousness. Annie McLean, Woodville, Ont.

He donned his new Spring overcoat so short, so light, so sweet; he changed his flannels, cut his hair, and ambled up the street. The wind from eastward softly came, and on our darling blew: he came home with pneumonia—funeral to-morrow at 2.

A Severe Trial.

Those who endure the torturing pangs of Neuralgia, Rheumatism, Sciatica, Lumbago and similar painful complaints are severely tried, but there is a speedy relief in Hagyard's Yellow Oil, as thousands who have used it joyfully testify. It banishes pain and lameness quickly

She—How do you like my new shoes, Adolph?

He (dreamily)—They are simply immense."

It took the two families a week to patch up a peace.

A Last Resort.

Last summer, says Wm. J. James, of Atherley, Ont., I felt very miserable with pains over my kidneys, fluttering of the heart and nervousness; after taking different kinds of medicine, hearing of B B. B. I thought I would try it; one bottle cured me. I can highly recommend it to others.

A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness and Hay Fever.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made by the patient at home.

READ THE FOLLOWING;

Ritcey's Cove, Nova Scotia, June 22, 1885.

GENTLEMEN—I am happy to say that the treatment which you sent me last February has effectually cured me of Catarrh. Mine was a case of long standing, and up to the present time I have been waiting for developing remains of Catarrh, but none are manifest. You may use my name as a proof that your remedy cures Catharrh. I feel grateful for the removal of such a trouble.
Yours etc., (REV.) G. O. HUESTIS.

TWO YEARS LATER.

Mill Village, Queen's Co., N.S. Dec. 23, 1887.

GENTLEMEN—Allow me to say that after three years' trial I find no unpleasant odor in the nose or, fetid breath, which used to effect others in my company. No symptons of Catarrh remained after the second application of your remedy.

Wishing you success in doing good, I remain,
Yours sincerely (REV.) G. O. HUESTIS.

We send a pamphlet describing this new treatment on receipt of postage stamp.
