## Local & Foreign Items.

Only 12 Indians are left of the tribe of 1 000, who inhabited the Yosemite Valley a few years ago.

Says the Newcastle *Advocate*; "The Origin, Work and Destiny of the Devil were discussed at the Prophetic Conference in Moncton on Monday night. Owing to engagements in the anti-Scott Act campaign the gentleman who was the subject of the debate was not able to be present"

The old Connecticut pilgrim known as "the darned man" is dead. In young manhood, his mind was unhinged by the sudden death of his affianced bride, and for the rest of his long life he tramped through the State, always wearing his wedding suit. The great desire of his life was to preserve that suit. And the only articles he ever solicited were needles and thread or yarn to mend it.

A bottle of the "Lotus of the Nile" is a most acceptable present to a lady.

Kossuth, who is now living in the strictest seclusion at Turin, is in excellent health, despite his 86 years.

For Bronchial and Throat Affections, Allen's Lung Balsam is unequalled.

C. P. Huntington, the fifty millionaire used to peddle out butter by the pound to the miners in California.

Gents' Boys' and Youths' Overcoats and Reefers in the latest styles and patterns. Prices at Rock Bottom at R. B. Belyea & Co's.

A Muncie, Ind., jury has decided that it is not a disturbance in the eyes of the law to read the morning paper while in church.

Two hundred Overcoats, at cost to clear, at Hugh Hay's.

In Malheur County, Oregon, the mercury one day this Winter went to 50° below zero, and one stock company is reported to have had 5,000 cattle frozen to death.

The "Royal Flavoring Extracts" are made of great purity and strength. Take no other.

Jacob Hollenberger, 20 years old, died the other day in Reading, Pa., of starvation. Four months ago the passage to his stomach was closed by molten iron being thrown into his throat.

### Books vs Experience.

Books are useful to aid to our knowledge, but practical experience teaches us that the best remedy for all diseases of the Stomach, Liver and Blood is easily to be had and is called B. B. B.

A burning baggage car which was wrecked down in Missouri the other day, was saved by pouring milk on the flames. The milkmen who ship their dairy products by that road have good wells.

### Well Spoken Of.

"I can recommend Hagyard's Yellow Oil very highly, it cured me of rheumatism in my fingers when I could not bend them." Ida Pank, Strathroy, Ont. A medicine for external and internal use in all painful complaints.

It is now possible for a traveller to go direct by rail from the City of Mexico to British Columbia, a distance of 6 000 miles. This has been made possible by the recent completion of the California & Oregon Ry.

### Another Item.

Mrs. J. Thompson, of Emo, Ont., writes that she suffered from general weakness and was so reduced that at times she became almost unconscious. Three bottles of Burdock Blood Bitters completely cured her, and she now recommends B. B. B to her friends and neighbors.

The largest horse in the United States is owned by Mark Thode, of Mattoon, Ill. He is only 3 years old, measures 19 hands high, has gained 250 pounds in the last five weeks and is still growing.

No mortal yet has ever forecast
The moment that shall be his last,
but Dr Pierce's Pleasant Pellets have forever settled the question of a comfortable existence until that moment does arrive, and put to flight the melancholy forebodings of sufferers from biliousness, headache, indigestion, constipation, and kindred ailments.

The Ontario Government have introduced a bill, which, if passed into law, will require Councils in Scott Act Counties to pay all the costs of Scott Act enforcement, so long as there is any fund from fines for this purpose.

"Gift Enterprises"
seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

A report on boycotting in Ireland has been presented to parliament. It shows that in January, 1887, and January, 1888, the number of cases of boycotting was 765 and 362 respectively, and the number of persons boycotted, 4,835 and 2 075 respectively.

### Sweet Flowers.

The fairest buds are the first to wither, and the ravages of disease make havoc with the beauty, as well as the strength and happiness of the fair sex. The prevalent disorders among American women are those of a most distressing description. These "weaknesses" as they are suggestively termed, insidiously sap the health, and the patient becomes pale and emaciated, the appetite grows fickle and feeble; side aches, stomach as the attacks increase in severity, end in despair. There is relief for all such sufferers in Dr. Pierce's world-famed Favorite Prescription, which Cures all "female complaints." Its use is followed by cessation of the "dragging-down" pains, return of appetite, and in due course, vigorous health.

The Medical Society of New York State last year hunted down eighty five illegal medical practitioners, who were humbugging ignorant people out of their money. Ten of the swindlers were sent to prison, and from the other seventy-five, fines amounting to $6 000 were collected.

### How to Gain Flesh and Strength.

Use after each meal Scott's Emulsion; it is as palatable as milk. Delicate people improve rapidly upon its use. For Consumption, Throat affections and Bronchitis it is unequalled. Dr. Thos. Pim, Ala., says: "I used Scott's Emulsion on a child eight months old; he gained four pounds in a month." Put up in 50c. and $1 size.

"How many lodges did you say your husband belonged to?" she suddenly asked.

"Fifteen."

"Mercy on me! But think of a man being out fifteen nights a week? I am really glad that I'm a widow!"

Mr. Alex. Moore, Mechanics' Settlement, Kings County, New Brunswick, says: I am going on 75 years of age and had very little hopes of getting anything to relieve my catarrh. Seeing Nasal Balm advertised, I sent to you for a package. It has done me a great deal of good I enclose you $2 for a further supply, part of which I intend giving to an afflicted friend.

A mouse jumped out of a lady's lunch basket in the depot at Taylorville, Ill. She and her two companions pursued it hotly but it mysteriously and suddenly disappeared. That night, when the lady came to disrobe, the cute mouse jumped out of a safe hiding place in her bustle.

### What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none or solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough at all events.

The digestive system is wholly out of order and Diarrhea or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

Man never has the same faith in the eternal fitness of things, after his wife has made him a shirt.

### Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections; also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this receipt in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper. W. A. NOYES, 149 *Power's Block, Rochester, N. Y.*

Do you waggle? No more striding, grace deriding. No more steps that straggle. 'Tis the duty of each beauty to affect a waggle. Steps most fetching, not outstretching, trim skirts not to draggle. But like trippings, neat, no slippings, and you have the waggle.

### ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, send at once and get a bottle of "Mrs. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery, diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Be sure and ask for "MRS WINSLOW'S SOOTHING SYRUP" and take no other kind.

Bobby was inspecting the new baby for the first time, and his dictum was as follows:—"I s'pose it's nice enough what there is of it," he said, without enthusiasm, "but I'm sorry it ain't a parrot."

MRS. A. LIVINGSTON.
Lot 5, P. E. I.

Friend (to widow mourning her third husband)—"I sympathize deeply with you, my dear, and we sorry not to be with you in your hour of affliction."

Widow (sadly)—"Ah, my friend, you don't know what it is to lose husbands."

## AS CONSCIENTIOUS DRUGGISTS.

WE WOULD RECOMMEND FOR

DYSPEPSIA, INDIGESTION,
AND KINDRED DISEASES, THE USE OF

**MALTOPEPSYN!**

FOR CONSUMPTION
AND ALL WASTING DISEASES, THE USE OF

**Morse's Carbonated Norwegian COD LIVER OIL!**

FOR TEETHING INFANTS AND NERVOUS TROUBLES, the use of

Glycerole of Celery Compound
(Contains no opium.)

You probably ask why we recommend these remedies? It is because we know them to be reliable remedies, endorsed by leading physicians throughout the Dominion for the cure of specific diseases and not claiming to cure everything. Also because they have the *exact formula* printed on each bottle visible thereby, enabling the purchaser to know just what he is taking.

The time is rapidly approaching when intelligent people will refuse to take *quack cure alls*, the ingredients of which are kept *secret*, but will insist upon knowing just what they are taking.

We have on hand constantly a fresh and complete Stock of Drugs, Fancy Goods, Perfumery, &c., also all the leading Patent Medicines. Prescriptions carefully dispensed. Good value guaranteed. Favor us with a call.

### A Letter from Quebec.

(Translated from the French.)

GENTLEMEN,—I have deferred writing, the better to testify to the benefits derived from the use of your Simeon's Liniment. It has done wonders among all the people who have used it about here.

I can certify that in every case where I have used it upon myself, I have been very well satisfied.

Mr. W. Mooney, of St. Sylvester, had a bad leg which was said to be incurable. I told him to use Simeon's Liniment, and it has effected a complete cure in a very short time. His neighbor, Mr. John Devlin, having received a serious cut on his leg, Mr. Mooney took him the Liniment, and having used it, found himself completely cured.

I have been assured of the cures of these people and the remedy having become known, it has created quite a demand people coming as far as 30 miles to procure it for themselves.

Mr. Wm. Bennett of St. Ferdinand, has had it some time on hand and has since bought it for his friends who suffer from Rheumatism, and they have all been well satisfied.

I have never known any Medicine to have had such a good results about here as Simeon's Liniment.

Hoping it will prove as satisfactory elsewhere.
I am, yours truly,
DAMASE PAGEOT,
Merchant.
