Presidential Election.

(By a SENTINEL Reporter.) Now York was the point on which centered the largest in interest in the recent Presidential election as it was articipated that here would be desided the fate of the two great partitive of the United States; although it was believed by many thet, while Cleveland required to earry New York State to ensure his success. When the same of the same of the world have been members of the same of the world and and the best of the world and the same of the world on the same of the same of the world on the same of the world of the same of the world of the world of the world on the same of the world o New York was the point on which centered and make their appearance on the bulletin made up as follows:boards of the great newspapers, then popular enthusiasm manifested itself and vast crowds ment for felonionsly wounding Jonas Fitz- number were out for a walk or drive.

It will be observed that the ladies gathered and remained around the boarde, voicing in cheers the interest in the two parties, as figures appeared reviving for the moment the hopes of the Democrats or confirming those of the Republicans, until the conclusion was reached that President Cleveland and his party were defeated and that Mr. Harrison was virtually President elect of

the United States. And New York decided the battle and still so evenly divided were the votes, and the national vote as a whole given but a small majority to the Republicans, that a Democratic too, it would seem, without any barter of the prisoner was discharged. markable feature in elections of chief magis.
