WAR!

And Rumors of War!

As some of the bloodthirsty and gore-devouring periodicals of our American cousins are at the present time predicting for us a dire, dreadful, awful, fearful and calamitous fate, should we fail to let them have our "red herring" *free gratis*; and on account of the danger of Woodstock being submerged in the swamps of Mattawamkeag by American scientific "cheers," and the bills of Newburg merged into "Paddy's Hollow," Houlton, Aroostook County, United States of America, by the same death dealing machinery, and ere the "dogs of war" begin to bark around my door, and ere I buckle on the accoutrements of war and go to defend my hearth and home, (in the language of the distinguished Bret, slightly transmogrified) at the "peril of my hazard," I will sell my entire stock of

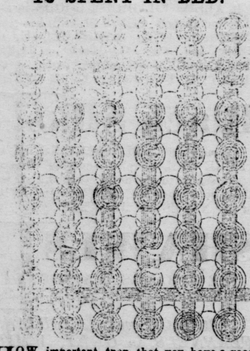
ONE THIRD OF YOUR LIFE IS SPENT IN BED.



HOW important then that you have a good Bed to sleep on. The more quiet and undisturbed your slumber, the more fully does nature repair the waste and damage your system has sustained during the day. The man who comes home exhausted by the labors of the day and stretches himself upon a hard uneven bed will rise in the morning very little benefitted by his sleep. Other things being equal, the man who has a comfortable bed will have clearer brain a stronger arm, and a longer life than his neighbor who is not so fortunate. The BUTTERFIELD SPRING BED will positively give more solid comfort to the square inch than any other bed in the market. And the man who is fortunate enough to possess one is led to say with Sancho Panza: "Blessed be the man that invented sleep." It is the only bed ever made that has the elastic spring and brace, each bed being connected on the surface with side springs. There is thus formed a perfect spring surface, which gives an elastic movement wherever weight is placed.

Having secured the exclusive right to manufacture these Beds in New Brunswick, I am prepared to sell them either at wholesale or retail.

Good reliable agents wanted in the Northern and Eastern Counties, to whom exclusive Territory will be given. I am also prepared to sell rights to manufacture in Nova Scotia and P. E. Island, or to arrange with reliable parties who wish to manufacture on royalty.

LOOK HERE FRIEND!

DO you have pains about the chest and sides, and sometimes in the back? Do you feel dull and sleepy? Does your mouth have a bad taste, especially in the morning? Is your appetite poor? Is there a feeling like a heavy load upon the stomach? Sometimes a faint, all-gone sensation at the pit of the stomach, which food does not satisfy? Are your eyes sunken? Do your hands and feet become cold and clammy? Is there a giddiness, a sort of whirling sensation in the head when rising up suddenly? Are the whites of your eyes tinged with yellow? Is your urine scanty and high colored? Does it deposit a sediment after standing?

Miscellaneous.

NOT FOR INTRUSIVE EYES.—"As you can only be a sister to me," he said, in broken tones, "will you let me kiss you good night?"

She shyly said she would.

Then he folded her in his strong arms, and, gently placing her head against his manly breast, he kissed her passionately.

"Mr. Samson," she said, softly, "this is all so new to me, so—so different from what I thought it to be, that if you will give me a little time to—to think it over, I—I may——"

But let us withdraw from the sacred scene.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP" and take no other kind.

CRAWLING OUT OF A SMALL HOLE.—Teacher—Johnny, I think you would be ashamed of yourself to run away from school for the sake of floating around in that old, leaky, flat-bottomed boat. Weren't you afraid of getting drowned?

Johnny—No'm; not so much as on shore.

Teacher—What nonsense! Did you ever hear of anybody going out in a boat for fear of getting drowned?

Johnny—Yes'm.

Teacher (astonished)—Who?

Johnny—Noer.

C. C. RICHARDS & Co.

Gents,—My daughter had a severe cold and injured her spine so she could not walk, and suffered very much. I called in our family physician; he pronounced it inflammation of the spine and recommended MINARD'S LINIMENT to be used freely. 3 bottles cured her. I have used your MINARD'S LINIMENT for a broken breast; it reduced the inflammation and cured me in 10 days. I would recommend it to all ladies who are suffering from the same severe trouble.

MRS. F. SILAER.

Hantsport.

Oh! bury the croakers out in the woods, in a beautiful hole in the ground, where the woodpecker pecks and the bumble bee bums and the straddle bug straddles around. They're no good to our city, they're unpractical, stingy, and dead; but they want the whole earth, and all of its crust, and the stars that shine over our head. So, hustle them off to the bumble bee's roost and hide them deep down in the ground, they are of no use to anyone here, let's get them all out of the way to make room for men that are sound—on the goose.

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

How loose round my waist were the clothes of my childhood, as my doubled up corset reminds me with pain; the slips that I wore when I used to chop stove-wood, had more real enjoyment than bustle or train. The bustle, I know, is a thing highly treasured by ladies built on the mocking-bird style. But give me the garment with looseness unmeasured, the old mother hubbard which weak men revile; the dear mother hubbard, the loose mother hubbard; the honored old hubbard which beats any style.

Consumption Curable.

Since the fact that consumption is both preventable, and in its earliest stage curable, it has lost much of its terror. If the first symptoms are at once recognized, and the proper remedy applied, very few, if any one, need die of consumption, which is really lung-scrofula. Like many other diseases this formidable one grows out of impure blood, and this, in turn, from a diseased liver. Hence, we have the hacking cough, the pain in chest, the inflamed lungs, and all the symptoms of hastening consumption, all the result of depraved blood and a diseased liver. The use of Dr. Pierce's Golden Medical Discovery will arest all such symptoms, restore the liver to healthy action, and send streams of pure blood into every organ. Of druggists.

Snobberly—Have you ever crossed the ocean, Miss Flirty?

Miss Flirty—No, Mr. Snobberly, I have a dread of the water. I don't think I ever could be induced to embark in a ship of any kind.

"How about a courtship, sis?" asked Johnny, Miss Flirty's younger brother.

Her Fault.

If she is made miserable by day and sleepless by night, by nervous headache, pains in the back, easily grieved, vexed or made tired, or is suffering from any of those wasting functional disorders peculiar to women, such as prolapsus, ulceration, leucorrhea, morning sickness, or weakness of the stomach, &c., a breif self-treatment with Dr. Pierce's Favorite Prescription will convince her of the folly of enduring misery that can be so easily, pleasantly and radically cured. Druggists.

The Lady Godivan must have had exceptionally long hair since it completely concealed her lovely person. Since Ayer's Hair Vigor came into use such examples are not so rare as formerly. It not only promotes the growth of the hair, but it gives a rich, silken texture.

Shoe Dealer [to clerk]—William, why did you insist upon selling to that old gentleman a pair of small, soft shoes, when he called for large, cowhide boots?

Clerk—Well—er—

"I insist upon knowing."

"The fact is I call on his daughter quite frequently in the evenings."

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

"What in thunder do you mean by coming in here to get your head bandaged?" said the indignant proprietor to the battered tramp. "This is a plumber's shop, and ain't no hospital by a jugful."

"Why don't yer take in yer sign, then?" said the battered tramp, pointing to the legend: "Tanks repaired."

Ladies, when you want a Paper Pattern, call at Hugh Hay's and get one of the renowned "Domestic" perfect fitting.

Some people have a habit of assenting to everything said to them, without regard to rhyme or reason. "Oh, yes," "Certainly," "No, indeed," "Of course," "Yes, indeed," "You are quite right," and the like. Mrs. Hendricks is one of these pleasant people.

"I think," said Mrs. Hobson, who was making a call, "that little Miss Smith is one of the stupidest girls I ever met, and—"

"Isn't she?" interrupted Mrs. Hendricks.

"And so plain—"

"Dreadfully."

"Now, I haven't much beauty myself, but—"

"No, indeed," said Mrs. Hendricks, cordially.

Causing an Impression.

Many cures made by B B B. have been those of chronic sufferers known throughout the district through the very fact of their having been afflicted for years. This naturally creates a strong impression in favor of this valuable family medicine.

Clerk—Why do you want these barrels marked, "Open this end?" What difference does it make what end is opened?

Fruit Dealer—We can't afford to pack large apples at both ends of the barrel, sir."

An Old Time Favorite.

The season of green fruits and summer drinks is the time when the worst forms of cholera morbus and bowel complaints prevail. As a safeguard, Dr. Fowler's Extract of Wild Strawberry should be kept at hand. For thirty years it has been the most reliable remedy.

"Has George proposed yet, Emily?"

"No, ma, but he did the next thing to it, last evening."

"What did he do?"

"He asked me if I thought paregoric injurious to teething children."

A Dying Wish

to try Burdock Blood Bitters is often expressed by some sufferer upon whom all other treatment has failed. Marvelous results have often been obtained by the use of this grand restorative and purifying tonic under these circumstances.

Extract from evidence in a petty sessions case: Counsel—So far as you saw, she was doing her ordinary household duty? Witness—I should say so. She was talking."

What I Saw.

Under a willow tree they sat;
He held her hand, she held his hat,
I held my breath and lay quite flat—
They kissed; I saw them do it!

He held that kissing was no crime,
She held her head up every time;
I held my peace and wrote this rhyme—
They never knew I knew it!

A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness and Hay Fever.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made by the patient at home.

READ THE FOLLOWING;

Ritcey's Cove, Nova Scotia, June 22, 1885.

GENTLEMEN—I am happy to say that the treatment which you sent me last February has effectually cured me of Catarrh. Mine was a case of long standing, and up to the present time I have been waiting for developing remains of Catarrh, but none are manifest. You may use my name as a proof that your remedy cures Catharrh. I feel grateful for the removal of such a trouble.

Yours etc., (REV.) G. O. HUESTIS.

TWO YEARS LATER.

Mill Village, Queen's Co., N.S. Dec. 23. 1887.

GENTLEMEN—Allow me to say that after three years' trial I find no unpleasant odor in the nose or, fetid breath, which used to effect others in my company. No symptoms of Catarrh remained after the second application of your remedy.

Wishing you success in doing good; I remain,

Yours sincerely (REV.) G. O. HUESTIS,

We send a pamphlet describing this new treatment on receipt of postage stamp.

"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."—F. A. Pinkham, South Molunous, Me.

"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect."—Rev. S. J. Graham, United Brethren Church, Buckhannon, W. Va.

"I suffered from

Nervous Prostration,

with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."—Lucy Moffitt, Killingly, Conn.

Mrs. Ann H. Farnsworth, a lady 79 years old, Sc. Woodstock, Vt., writes: "After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."
