On motion the Secretary Treasurer report ed the number of miles of by roads in each parish, as appears on Rowe & Colby's map, e fullowe :

Richmond, 96 miles 125 rods; Wakefield, 62 miles 181 rods; Northampton, 32 miles 243; Brighton, 74 miles 160 rods; Wilmot, 62 miles 210; Simonds, 15 miles; Peel, 25 miles 273 rod ; Wicklow, 60 miles 73; Ab erdeen, 60 miles 219 rods; Kent, 77 miles 209 rode; Woodstock, 46 miles 128 roda.

Report received, and on motion of Mr. Gallagher, seconded by Mr. Cronkbite, the Councillors of the different parishes handed in the length of by-roads laid out since the map was published. Richmond 24 miles : Wakrfield, 28 miles :

Northempton, 40 milee; Brighton, 33 miler; Wilmot, 27 miles; Simonde, 11 miles; Peel. 36 miles; Wicklow, 21 miles; Aberdeen, 25 milee; Kent, 63 miles; Woodstock, 20 On motion of Mr. Caldwell, seconded by Mr. Watson, Resolved-that all rode, above

Mr. Caldwell moved, seconded by Mr apportionment, viz : Richmond, 120 miles; Wakefield, 90 miles;

Northamp on, 72 miler; Brighton, 107 miler; Wilmot, 89 miles; Simonde, 27 miles; Peel. 61 miler; Wicklow, 81; Aberdeen, 85 mile Kent. 140; Woodstock, 66 Total 938 miles. Mr. Smith was not satisfied to adopt this sion reached in a hap hazard way. He would tions the County Exhibition assumed.

roade were actually measured. Mr. Caldwell thought Mr. Smith had mad an incinuation which impeached the truthfulness of Councillore, who were under a solemn dine in this matter conscientiously. His know of. and now they only proposed to carry out their Society, for Exhibition purposes.

Mr. Smith had no intention of imputing wrong to Councillors, but a door had been opened to admit of a wrong. He would ask if a vote of this board at the last session was to bind this new Council met here to-day.

Mr. Harding said he supposed they were Mr. Harding had made a mistake. It was towards providing the necessary buildings. liebed in July last, as follows:

"Mr. Harding submitted a statement prepered by his colleague Mr. Enery, and veri. county. fed by himself showing that the number of by-roads, in each parish, on the Rowe & Colby map was as follows :' Here followed the figures. This report Mr.

was only from guess work. It was not a fair the money so donated may not in any manner principle.

Mr. Bull knew that the mileage for North.

ampton as taken from the map was incorrect, and he could not adopt it. Mr. Williams from his own knowledge knew the map to be wrong, and therefore could not vote for dividing the money on this

Mr. Oronkhite was sick and tired of hear ing this question discussed as it had been for years. It was argued that by the map the actual mileage was shortened in some parishes and therefore did not give a true etatement.

Mr. Crockbite as to the average, In his length than there really is.

with his colleague. He was not prepared to wete for such a resolution until the roads were measured properly. The question being put there were 11 yeas 12 neys and the motion was lost.

Mr. Moores moved, seconded by Mr Tomp apportugged same as last year. Mr. Harding said they had for years and

reaction of the years money on some sportation offered by the railroads rendered the province. The office of overseer of the more practicable than they forof the money. They should settle now the ap- tion to the fact that the facilities for tran- ty, and, we might venture the statement, of as much as one with 140. He moved, section, the favor with which it had been viewed oversee or to expend money upon for support. onded by Mr. Hemphill, in amendment, Resolved—that the by-road money be apportioned as follows: Richmond, Wakefield,
tioned as follows: Richmond, Wakefield,
bad been seemed to render it desirable that Brighton. Wilmot.
