Ir is said that a father and his son have been killed and eaten by wolves, in Dakota within 20 rods of their home. THERE are 300 female practising physic

ians practicing in New York and Brooklyn, some making from \$10,000 to \$25,000 annual revenue. Ir is 50 years since Father Mathew signed the temperance pledge at Cork, a trivial cir.

cumstance in itself, but one which was followed by grand results.

own son voted against hin THE grants of Crown Lands, in New Brunswick, last year, were 362 and 26,678 acres; of these, the grants in Carleton Co. were 34, of 3,183 acres, which was only exceeded, slightly, by Gloucester and Kent.

THE Canada Gazette contains the follow ing orders : 67th Batt. Carleton Light In fantry-No. 8 company, East Florenceville, to be Lieutenant provisionally, Sergeant Edwin Wallace Bell vice Perkins promoted to be 2d Lieutenant, W. H. Wiggins having left limits his name is removed from the list of officers of the active militia.

claims amounting to \$118,806 851.

### Asked to Come In.

The Governor General has written to the Governor of Newfoundland, seking that a deputation, representing the Opposition as well as the Ministerial party, be sent to Ot- Dominion sub-ities, population 321,tawa with power to negotiate for the admission of Newfound and into the Federal union.

## Fast Work.

The Government and Legislature deserve credit for the promptness with which they are putting through the business of the session at Frederiction. To have the financial etatement made and supply passed in one day, is a record without precedent in the modern history of our local parliament. It Lunatic asylum admissions, is a precedent to be established.

# March Storm.

We bad in this section, on Tuesday, a considerable fall of damp snow; this was evi dently the "tail end" of a storm of my magnitude reported from the West on M day. In New York, it was said to be one the worst snow storms that had visited that city in 20 years; traffic on the roads and traffie on the railroade, but East of Bangor the effect was not serious.

Crown Lands. The report of the Surveyor General

Totals...... \$130,490 01 \$120.700 attributed to the policy of the governmen not to sell timber lands except to actua settlers.

# Glad to Hear of It.

A good many people among those who de epise as well as those who excuse the follow ing of pugilism as a business, were wel pleased to learn that in the encounter tween Sallivan, the Boston bully, and Mitchell, an English fighter, the former was worsted. Columns of leading American papers had been devoted to the anticipated fight, and Sullivan was the hero, and now columns have been issued to tell in detail how that hero fought and didn't conquer. A good deal more space has been given to the living bully than to the dead Emperor.

# Customs Service, N. B.

### An Emperor Dead.

Emperor William, of Germany, died at Berlin on the 9th inet , aged nearly 92 years, In 1858 he was made Regent, and in 1861, after the death of his brother Frederick William IV, he was crowned or crowned himself. Previous to his accession he achieved renown as a soldier, his military career really beginning when at 10 years of age he was commissioned second Lieut. During his reign the unity of Germany was completed,

and in 1871 he was proclaimed Emperor. His son, Frederick William, succeeds, un der the title of Frederick III, but with the prospect of a very short and inactive reign. The beir apparent, Prince William, a grandson of Queen Victoria, will practically control affairs until the disease under which the present Emperor suffers terminates in death when the former will assume the title. and, thereafter, the future of Germany, disaid to entertain a hatred of France, without the controlling counsel of that profound states man Bismarck, who cannot very much longer remain the power he is and has been, can hardly be considered assured.

### House of Assembly.

When the bour of parting came, the visitors were together with one accord, in the parior, hall and adjoining by Mr Ronald—the two always run together— who endorsed every word Mr. Home had said Mr. Bearisto feeling y replied, and pronounced the benediction. The whole proceedings - sacred and secular—were brought to a close, by Miss Joyner taking her place at the organ, and strik ing up the accompaniment to "Auld Lang Syce," not "Old Long Since Ago," as a contemporary, wishing to be very elegant, once presented it.

Carpets in endless variety at Hugh Hay's. NOTES FROM THE GALLERY. Since I last wrote you all the members of oth branches of the Legislature have arrived.

FREDERICTON, March 12, 1888.

Friday Ev'g. MANHOOD both branches of the Legislature have arrived, except Mr. Killam of the lower, and Hon. Mr. Richard of the Council. A resolution introduced by the Attorney General will bring ! the proceedings of the Madawaska election before the committee on privileges, the result Comedy Company. of which will no doubt be to make either Mr. Theriault the citting member, or Mr. Nadeau his opponent, feel dissatisfied with the report. In the lower House up to the present time but little progress has been made. All the mem-bers seem to consider the first week should 66 be spent in preliminary work or, in other words, doing little or nothing. Not so, however, in the last week of the session, when these same gentlemen vie with each other in getting bille through, many of which get but ttle consideration, and are sent up stairs full of defects and errors, there to be corrected and put in proper shape by their honors, who by a few, compared with the many, are WANTED-A Third-Class Female Teacher anxions to dispense with their services. In 200 00 the L. Council a committee reported, upon 650 00 which the Council decided to report and pub-\$17,867 00 House in the St. John Telegraph, beyond that 100 90 only the preliminary work of the session has been done in the upper Branch. The Counbeen done in the upper Branch. The Council is limited to 18 members; one seat is now vacant and one member cannot possibly attend this session in consequence of revere illness, however the legislation required will be as beretofore well attended to. On Wednesday the 7th March, the Government resolved itself into committee that supply be granted to the 9th February last.
