FOR THESE MERCIES, ETC .- A Salisbury correspondent of the Transcript says: An amusing incident is related in connection with the recent heavy frosts. A good deacon of one of our outlying churches had considerable buckwheat damaged by the frost, and a neighbor of his, sympathizing with him, said: "Well deacon, I see the frost has nipped you pretty bad." A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. An Irishman recently spoke of a man who had tried in every way, but couldn't commit suicide to save his life. A New Home Treatment for the Cure of Cat-arrh, Catarrhal Deafness and Hay Fever.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made by the patient at home. Ritcey's Cove, Nova Scotia, June 22, 1885.

GENTLEMEN—I am happy to say that the treatment which you sent me last February has effectually cured me of Catarrh. Mine was a case of long standing, and up to the present time I have been waiting for developing remains of Catarrh, but none are manifest. You may use my name as a proof that your remedy cures Catharrh. I feel grateful for the removal of such a trouble.

GENTLEMEN—Allow me to say that after three years' trial I find no unpleasant odor in the nose or, fetid breath, which used to effect others in my company. No symptons of Catarrh remained after the second application of your remedy.

Long-Standing Blood Diseases are cured by the persevering use of Ayer's

Sarsaparilla. This medicine is an Alterative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials :-"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more Wonderful Results. Another marked effect of the use of this

medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.,) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured"—Mrs. Augusta A Furbush cured."—Mrs. Augusta A.
