sin of perjury which, judging from the press of the west and north west while the wor trial of contested election petitions.

The Supreme Court has given judgment in the celebrated Manitoba Railway Crossing case. The Court unanimously decided that the Privy Council has power to grant the crossing of the Canada Pacific by the Manitobs government.

The English Parliament was prorogued on Monday. The Queen's speech said:-"I have great satisfaction in being able to release you from your protracted labors My friendly. I regret that the convention concluded between myself and the President of United States Senate, in whom according to the constitution of the United States, the power of ratification is vested. The temporary arrangements, however, I trust, prevent any immediate inconvenience arising from

Fun in Court.

Before the highest judicial court in United States recently, so says a Boston paper, a suit was brought to determine the validity of a p tent on a patch, of a certain shape designed for the seas of a man's unmentionables. The whole court bubbled over with merriment fairly rearing with laughter | at a public meeting in Cole's Hall, on Thursday The decision is not yet known; the ruling of evening next at 8 o'clock. All are invited who a lower court, against which appeals had are interested in the study or teaching o

been taken, is thus given :drawers, designed to remedy the evils of rip educational authorities. and tear to which they are liable in the oratch, ought never to have been granted, interfering as it must necessarily do with the world to patch the drawers of their husb nds. fathers and sons freely in their own way with generation can employ a patch for the pur- literally covered with teams of all manner of have any real novelty.

For Christmas.

consequence was very observable on the streets never a finer one of poultry of all kinds than make effected on the two days mentioned, and the fact that prices ruled at fair rates neither too high for any disposed to have not so have no too high for any disposed to buy nor so low as to give dissatisfaction to the seller stamped the market as a good one.

On Monday the streets were literally crowded all day and it was noticed that this on Christmas evening. The parties more im was, with the people from the country, a buying and not a selling day. It was a busy day with the merchants whose stores were filled with customers who found in the drug, book and hardware stores, where the more ornaments are substituted and illustrated pamphlet giving a full description of the industries of La Crosse, Wisconsin; and to John dustries of La Crosse, Wisconsin; and to John mental goods were in fullest display, and in the dry goods and grocery stores ample supply with white satin and lace, and was attended to meet every demand and to suit every taste. by Miss A. L. McLellan as bridesmaid, at-We have no doubt the sales were in each of tired in pale pink nun's veiling trimmed with great variety and at prices cheaper than ever at white satin and lace. In the Free Christian Baptist Church, Wick-The SENTINEL and Saturday Night for \$2 25. low, on the 26th inst., by Rev. J. Sellar, M.A. The SENTINEL and Fireside Weekly sor \$2 00. assisted by Rev. J. W. Clark, Mr Jabesh C. Squires, of Bath, to Miss Alberta H. Clayton,

DIED

At Williamstown, Nov. 30th, of consumption Helen Corbett, aged 24 yrs., 9 mos., 16 days, fifth daughter of Jane McWaid and the late Thomas McWaid, greatly beloved. A precious one from us has gone,

A voice we loved is stilled; A place is vacant in our home, Which never can be filled. God in his wisdom has recalled The boon His love had given; And though the body moulders here, The soul is safe in Heaven.

and Houlton; St. Stephen, St. John, and
points East; Bangor, Portland, Boston,
and points West.

THE BUTTERFIELD SPRING BED has been in use in this country nearly two years. From a very small beginning and with very little effort the trade has grown until the sales have run up into the thousands, and with the exception of a slight defect in a few of the first manufactured the Bads have given universal satisfaction. In fact in manufactured the save 10 per cent. every time. so securely braced that there seems to be no possibility of the ontside springs being bent inward

under any circumstances. Having purchased the Patent Rights for the above mentioned beds, I am prepared to furnish them at either Wholesale or Retail. I am also prepared to sell rights to manufacture in any part of the Dominion not already taken, or to arrange with parties to manufacture on royalty GEO. N. CLARK.
