per year; 10 cents a copy. An old lady of 80, in Pictou County, N. last Spring, harrowed quite a large tract land, driving two horses, and another of & in the same locality, is in the habit of build ing loads of hay. She fell from a load the other day but received no injuries.

The London Times criticises the speech- with. es of Sir Hector Langevin and Sir John Thompson, delivered recently at Hagarsville most favorably, saying, "they breathe the indomitable resolution of the government to stand by the rights of Canada."

Failures, during the seven days ended 202; Canada 24; for the corresponding week last year, the failures were 106, thus show. The near presence of a large crew of men. ing a large increase this year. In the month of August, the failures in the United States bably of preventing a much more disastrous were, last year 777 and this year 972.

## Comparative Distances.

From River da Loup to St. John, by Intercolonial, the distance is 463 miles. From River du Loup to St. John, by the Temiscouta Railway, via Fredericton, the distance is 311 miles, and via Woodstock and McAdam 328 miles, a saving in distance by the new route of 135 miles via McAdam and 152 via Fredericton. The saving in time will be about one-half.

# The New Stock.

The recent stock importation, bought by the Provincial Secretary, reached Frederic ton last week, having come via the River du Loup and Edmundston Railroad. The lot consists of one shire stallion and four mares; two Percheron mares; one Clyde stallion and 14 mares-all two years old, with the exceprams: 15 Shropshire Down ewes, and 65 tion and it is pronounced a very choice lot.

Liberty of Conscience. become Catholics they should forfeit their of the efforts put forth by the liberal contri- just opened, at R. B. Belyes & Co.'s. share of the property. The wife renounced the Protestant religion and became a Cath.
