3. Exhibitors are requested to present full and accurate lists of the varieties of fruit or other articles to be entered; and to specify the nium for which each article is entered; also o affix their names and P. O. addresses, so that the same may be correctly transferred to the books and exhibition cards Persons intending to make entries will confer a favor by sending lists of the same to

4. All fruits and flowers offered for pren ums must have been grown by the exhibitor: and any violation of this rule will debar or forfeit the premium. Specimens offered for ex-hibition only, by others than the growers, must n all cases have the name of the grower affixed, 5. All fruits and flowers exhibited, must, as

ar as possible, be correctly named according to the standard nomenclature adopted by the Society, and it will be the duty of the standing ttees of the Society to examine labels and correct all errors in nomenclature during the composed of exactly the number of specimens,

or quantity, named in the schedule. 7. Dishes and labels for the exhibition of ruits and phials and stands for cut flowers, will be furnished by the Society.

8. Exhibitors must see to the their contributions, and will be required to put them in the places designated for them. After the articles are arranged, they will be under the exclusive charge of the Society, and the owners will not have liberty to remove them until the exhibition is closed. All reasonable precautions will be taken for the safe keeping of articles on exhibition, after their arrival and arrangement upon the table; but the Society will not be reponsible for any loss or damage that may

mend diplomas for any new or rare fruits, flowwhich no premiums have been offered. 10. When a specimen has been presented for identification, the exhibitor shall communicate all the information he possesses as to the origin 11. No entrance fee shall be charged on ex-

hibits in this department and exhibitors will be admitted to the Hall Tuesday, August 28th, free, but after this they will be charged the regular admission of 25 cents, which will admit to Norombega and Concert Halls; or an exhibitor's season tickets will be sold at \$1.00, admitting to both Halls, or an exhibitor's season ticket for \$2.00, admitting to Park and Halls. 12. No porson can compete for more than one prize with the same variety of fruit, but nay compete for the best exhibit.

SCHEDULE OF PRFMIUMS. CLASS 1.

APPLES. FIRST DIVISION. Entries for all premiums in this division nust consist of five specimens of each variety exhibited, and (except Nos. 2 and 3) of at least twenty correctly named varieties. Entries for remiums Nos. 2 and 3 must be separate and istinct collections, not embracing any other collection or specimens, and in awarding the remiums regard will be had both to the quality of the specimens and the value of the varieties By "named varities" is meant such as are named and described in some standard work on Pomology, or have been named and approved

some National or State Horticultural uired in this collection (No. 1) the Soclety loes not intend to encourage the multiplication of varieties; and the committee will be instructed, in awarding the premiums, to have regard to quality and value rather than to the number of varieties, and will be authorized to mmend diplomas for meritorious collections embracing less than the number of varieties re
