## Threshing Machines!

We are only manufacturing a limited number of our **CELEBRATED IMPROVED** 

Threshing Machines and Horse Powers this year, and nearly half of these are already sold; therefore, orders must be placed early to secure a machine.

connection. Particular attention given to laying out, and preserving bedies from discoloring.

We can be found by day or night at our ware-rooms, south of the Bridge, near Railway Depot, or at Gilman's Livery Stable. Give us a call and see what we can do.

These Machines are made of the very best of Steel, instead of Iron, as formerly, and the lumber in them is thoroughly kiln dried. The following testimonial is but one of many that are now voluntarily given to the superior value of these machines over any other, both in quantity of grain they will thresh and the perfect manner in which the grain is threshed and cleaned without waste :-

Messrs, Connell Bros.,

GENTLEMEN,—We have much pleasure in commending your Improved Little THE Subscriber, while returning his sincere Thanks to those who assisted in saving his Giant Threshing Machine and Horse Power to the public. On Thursday last, in Property from the recent Fire, would beg to give notice to his many friends that he has Removed Albert Demerchant's barn, we threshed with the Machine bought of you 314 bush- his remaining Stock to the MICHAEL GUEST,

Meaning and Application of the Word "Temperate."

(For the Carleton Sentinel.) Men of education, men in high positions, nen having much influence-men who ought o know better, affirm that a strict definition of the word temperate is, moderation in the use of (without discrimination) solids and liquids that are used for food and drink, and language, clothing, etc.; and, oppositely, that one who, having come within the influence of a created appetite, has turned from the evil, in order to escape its effects; and one who has from principle, as well as for his personal safety, been always a total abstainer so far as liquors are concerned, are not to be termed temperate. The dictionaries in common use give the following as meanings of the word : moderate; not excessive; moderate in the indulgence of the appetites and passions; not marked with passion; not violent; sober; calm; cool; sedate-not one of which has a definite application, and, because not

In order to arrive at a comprehensive meaning of the above word parallelize those pecuupon the subject, viz .: principally, Language, Eating, Drinking. These may be divided good language, bad language; good to eat, not good to eat; good to drink, not good to drink. When we make use of the expression. temperate in languarge, is not the exclusion of what is bad inferred? Would it appear The Newfoundland delegates are expected well if we said a man is temperate in his slang words, or a few oaths? Would it be The temperature in Switzerland has been right or well to say a man displays a temtakes regularly, in addition to plain, nourishing food, of only a little of such and such rather term him temperate if he shunned those unwholesome but tempting dishes, and same with regard to drinking. Drinks proper are to quench the natural thirst, and, Over \$14,000,000 was paid out by the as well, to aid digestion; and a temperate hall; United States for pensions, in July, and still drinker may be denominated as one who quench an artificial thirst, or to appease an artificial, or created, or unnatural appetite Seven and a half million dollars, according partakes of such drinks as his artificial or unnatural thirst or appetite demands, than it guage who to satisfy a habit, departs from the use of the sufficient vocabulary of decent, respectable words and indulges moderately in slang, indecent expressions to convey a meaning that might be made sufficiently clear otherwise. The man who supports modera-

wholesome eating, and the fashion of showy Therefore (conclusion), to be temperate is to supply moderately, yet sufficiently, a nein London. According to statistics there cessity which springs from a natural desire, presented, there are throughout the world. or which is a natural consequence, by natural 1,392 presbyteries, 209 synods and 3,609,225 means, to the exclusion of artificial desires or appliances. To be intemperate is to outrage
