(I ENTLEMEN.—I have deterred writing, the T better to testify to the benefits derived from the use of your Simson's Liniment. It has done wonders among all the people who have used it about here

I can certify that in every case where I have used it upon myself, I have been very well satisfied.

Mr. N. Mooney, of St. Sylvester, had a bad leg which was said to be incurable I told him to use Simson's Liniment, and it has effected a c mplete cure in a very hort time. His neighbor, Mr. John Devlin, having received a serious cut on his leg, Mr. Mooney too. him the Liniment, and having used it, found himself completely cured

I have been assured of the cures of these people and the remedy having become known, it has created quite a demand people coming as far as 35 miles to procure it for themselves.

Mr Wm.—Bennett of St. Ferdmand, has had it some time for havelf and he has since bought it for his ir-ends who suffer from timentment.
